Dennis

You absolutely may have an extension. I suggest a minimum of thirty (30) days. If you need sixty (60) days, that is fine too.

Thank You.

Mr. Rubb,

I hope this email finds you well. When we last spoke, you were going to speak with the credit manager for Cleveland Brothers regarding our offer to settle their claim.

As a procedural issue, we need to file a response to your objection with the Court by May 12, 2015. I am in hopes that we can settle the claim by that time. If not, would you be adverse to agreeing to file a petition extending our response time? This will allow for further discussion between the parties and possibly avoid the necessity of involving a referee.

Please let me know your thoughts on this.

Thank you.
