Policy Forms: B.LTC and GLTC95

Dear Commissioner:

The purpose of this letter and attached actuarial memorandum is to request a rate increase for the inforce business sold under the Unum group long-term care policy forms referenced in the subject line above. These policy forms were priced prior to rate stability regulations and are no longer marketed in any state.

The factors driving the Company's need for premium increases are the same as those impacting the LTC industry, with our experience developing unfavorably for key pricing assumptions:

•Lower than expected lapse rates
•Continued mortality improvements (e.g. people living longer)
•Increasing claim durations; and
•Persistent low interest rate environment.

Unum is requesting the approval of an average aggregate 40% premium rate increase per insured, that varies by inflation coverage, on the base rates associated with the policy forms listed above. The company will also consider an actuarially equivalent phased-in rate increase over multiple years.

Please note that Unum completed an extensive experience study in 2018 which has led to a need for additional future rate increases.

Any approved premium rate increase will be effective upon the employer policyholder's next anniversary, subject to at least a 60-day notification to the insured or longer if required by your state. We anticipate implementation of these rates beginning in May 2022 and rates becoming effective beginning in April 2023, if approved.

Please note that the policy forms subject to this rate increase are group long-term care policies that have characteristics that differ from a typical individual long-term care policy such as:

•the employer chooses the plan designs that will be offered to employees
•the employer may pay for a base level of coverage for all employees and employees usually have an option to buy additional coverage such as higher benefit amounts, longer duration coverage, inflation coverage and higher home care coverage; Unum refers to this as "Employer Funded" coverage within this filing
•the employer may also sponsor the plan but require the employees to pay for 100% of the coverage, Unum refers to this as "Voluntary" coverage within this filing

Unum will offer all insureds affected by the premium rate increase the option of reducing their coverage to mitigate the impact of the rate increase. Employers and insureds will have the option to reduce their monthly benefit, elect to continue the policy under contingent non-forfeiture, or make other benefit changes that will best meet their needs.

The company will offer a contingent benefit upon lapse, to all insureds, regardless of the rate increase amount or the insured's issue age. Each insured will be given the option to
exchange their current policy for a non-forfeiture benefit (paid-up policy) upon lapse which is equal to 100% of the sum of all premiums paid. Insureds who select this option will immediately be entitled to the non-forfeiture benefit and will not be obligated to pay the higher premiums associated with the rate increase. If a policy lapses for non-payment of premiums, the insured's coverage will automatically convert to the contingent non-forfeiture benefit.

Insureds who choose this option will also receive a copy of Endorsement CNF12G which was previously approved under SERFF tracking number UNUM-128578457.

The following items are included in this submission:
•Cover letter
•Actuarial memorandum and Supporting Loss Ratio Exhibits 1-1f and 2-2f
•Nationwide filing and approval status, Exhibit 3
•Sample certificateholder letter and FAQ; and
•New voluntary base rate schedules reflecting the requested increase, note that employer-funded rates are derived by applying a discount to the voluntary rates

We respectfully request non-disclosure of this information if your Department grants it.

Please note that Unum exited the individual long term care market in 2009 and the group long term care market in 2012.

If there is anything I can do to expedite this filing including presenting myself and my colleagues for an in person meeting, please let me know. Should you have any questions regarding this filing, please feel free to contact me by phone or e-mail.

Thank you for your time and consideration of this filing.

Sincerely,

Ronald (Jake) L Lucas, FSA, MAAA

Re: Unum Life Insurance Company of America
Group Long Term Care
NAIC #416-62235 FEIN #01-0278678
Policy Forms: B.LTC and GLTC95

Dear Commissioner:

The purpose of this letter and attached actuarial memorandum is to request a rate increase for the inforce business sold under the Unum group long-term care policy forms referenced in the subject line above. These policy forms were priced prior to rate stability regulations and are no longer marketed in any state.

The factors driving the Company's need for premium increases are the same as those impacting the LTC industry, with our experience developing unfavorably for key pricing assumptions:

- Lower than expected lapse rates
- Continued mortality improvements (e.g. people living longer)
- Increasing claim durations; and
- Persistent low interest rate environment.

Unum is requesting the approval of an average aggregate 40% premium rate increase per insured, that varies by inflation coverage, on the base rates associated with the policy forms listed above. The company will also consider an actuarially equivalent phased-in rate increase over multiple years.

Please note that Unum completed an extensive experience study in 2018 which has led to a need for additional future rate increases.

Any approved premium rate increase will be effective upon the employer policyholder's next anniversary, subject to at least a 60-day notification to the insured or longer if required by your state. We anticipate implementation of these rates beginning in May 2022 and rates becoming effective beginning in April 2023, if approved.

Unum is a registered trademark and marketing brand of Unum Group and its insuring subsidiaries.

Please note that the policy forms subject to this rate increase are group long-term care policies that have characteristics that differ from a typical individual long-term care policy such as:

- the employer chooses the plan designs that will be offered to employees
- the employer may pay for a base level of coverage for all employees and employees usually have an option to buy additional coverage such as higher benefit amounts, longer duration coverage, inflation coverage and higher home care coverage; Unum refers to this as "Employer Funded" coverage within this filing
- the employer may also sponsor the plan but require the employees to pay for 100% of the coverage, Unum refers to this as "Voluntary" coverage within this filing

Unum will offer all insureds affected by the premium rate increase the option of reducing their coverage to mitigate the impact of the rate increase. Employers and insureds will have the option to reduce their monthly benefit, elect to continue the policy under contingent non-forfeiture, or make other benefit changes that will best meet their needs.

The company will offer a contingent benefit upon lapse, to all insureds, regardless of the rate increase amount or the insured's issue age. Each insured will be given the option to exchange their current policy for a non-forfeiture benefit (paid-up policy) upon lapse which is equal to 100% of the sum of all premiums paid. Insureds who select this option will immediately be entitled to the non-forfeiture benefit and will not be obligated to pay the higher premiums associated with the rate increase. If a policy lapses for non-payment of premiums, the insured's coverage will automatically convert to the contingent non-forfeiture benefit.

Insureds who choose this option will also receive a copy of Endorsement CNF12G which was previously approved under SERFF tracking number UNUM-128578457.

The rate increases for the current request are as follows:

Employer Funded	Rate Increase Request	Number of Insureds
Compound Uncapped Inflation	56.7%	1079
Simple Uncapped Inflation	41.3%	417
Compound and Simple Capped Inflation	0.0%	718
No Inflation	0.0%	7490

Voluntary (100% Employee Paid)	Rate Increase Request	Number of Insureds
Compound Uncapped Inflation	60.3%	1389
Simple Uncapped Inflation	95.9%	564
Compound and Simple Capped Inflation	46.1%	1473
No Inflation	0.0%	2574

The requested rate increases above reflect the actuarial equivalence of the outstanding rate increase request after the 2019 approval under SERFF Number UNUM-131887717.

The following average rate increases were previously approved in your state.

1st Increase	Employer Funded	Voluntary
SERF Number	UNUM-128578458	UNUM-128578458
Approval Date	1/9/2013	1/9/2013
Amount	25%/25%/20%	25%/25%/20%

2nd Increase	Employer Funded	Voluntary
SERF Number	UNUM-131887717	UNUM-131887717
Approval Date	7/10/2019	7/10/2019
Amount by Inflation Type		
Compound Uncapped Inflation	20.0%	41.6%
Simple Uncapped Inflation	13.0%	0%
Compound and Simple Capped Inflation	0%	0%
No Inflation	0%	0%

The following items are included in this submission:

- Cover letter
- Actuarial memorandum and Supporting Loss Ratio Exhibits 1-1f and 2-2f
- Nationwide filing and approval status, Exhibit 3
- Sample certificateholder letter and FAQ; and
- New voluntary base rate schedules reflecting the requested increase, note that employer-funded rates are derived by applying a discount to the voluntary rates

We respectfully request non-disclosure of this information if your Department grants it.

Please note that Unum exited the individual long term care market in 2009 and the group long term care market in 2012.

If there is anything I can do to expedite this filing including presenting myself and my colleagues for an in person meeting, please let me know. Should you have any questions regarding this filing, please feel free to contact me by phone or e-mail.

Thank you for your time and consideration of this filing.

Sincerely,
