RE:Genworth Life Insurance Company (GLIC)
Company NAIC No: 70025
Non-AARP Policy Forms: 7042 et al, 7044 et al, 7042 Rev et al, 7044 Rev et al

The referenced filing is a Long Term Care (LTC) rate schedule change request submitted for your review and applies to the referenced policy forms.

AARP policies sold in Pennsylvania are subject to contractual agreements with AARP governing rate increases. As a result, AARP policies are being filed separately from Non-AARP policies.

In this filing, GLIC requests a premium rate increase of 54.3% on the above-mentioned policy forms. In the submitted actuarial memorandum, we include detailed rate increase justification, and we demonstrate that this premium rate increase satisfies Long Term Care regulatory requirements of Pennsylvania and the Rate Stability regulation.

GLIC will offer insureds affected by the premium increase several alternative options to change their benefits in order to maintain a premium rate level reasonably similar to what they were paying prior to the rate increase. The benefit and rate combinations are consistent with the rate tables approved by the Department. Details on the available alternative options are presented in section 6 of the Actuarial Memorandum.

Thank you for your assistance in reviewing this filing.

Dear Ronald N. Jackson:

The captioned filing has been reviewed by the Pennsylvania Insurance Department. It has been determined that the filing fails to meet the requirements of our Insurance Company Laws or regulations and is therefore disapproved pursuant to the authority granted under Section 304(a) of Act 134, the Accident and Health Filing Reform Act. The disapproved filing may be resubmitted within 120 days of the date of disapproval. If the Department does not hear from you within 120 days, the subject filing will be permanently closed. Such filings resubmitted after 120 days must be submitted as a new filing, inclusive of appropriate filing fees and disclosure of the closed filing SERFF tracking number.

Please furnish the following information to the Department.

1. Why does Exhibit I from filing GEFA-132882371 (non-AARP) and filing GEFA-132882395 (the AARP filing) differ slightly?

2. Please provide a table in an Excel spreadsheet (perhaps similar to Exhibit I) which shows the historical and projected nationwide earned premium and incurred claims on a calendar year basis assuming no rate increase is granted. Please restate the historical and projected earned premium so that the business from inception appears to have been all been earned at the current Pennsylvania rate level.

3. Please provide a table in an Excel spreadsheet (perhaps similar to Exhibit I) which shows the historical and projected nationwide earned premium and incurred claims on a calendar year basis assuming no rate increase is granted. Please restate the historical and projected earned premium so that the business from inception appears to have been all been earned at the original rate level. The original rate level is the rate level that would have existed if no increase was ever granted on any policy nationwide.

4. How many AARP 7044 & 744 Rev policies were issued nationwide? How many AARP 7044 & 7044 Rev policies remain in force nationwide?

5. How many Non-AARP 7044 & 744 Rev policies were issued nationwide? How many Non-AARP 7044 & 7044 Rev policies remain

in force nationwide?

6. Please provide the cumulative weighted average increase granted on the combined block (i.e. AARP and Non-AARP) in PA as a single number.

Comments:

GLIC accepts the Departments offer to approve a 20% rate increase. However, GLIC believes the experience justifies a larger increase, as detailed in our original request. GLIC anticipates filing subsequent rate increases in the future, as justified by our experience.
