**Response of UPE to
Comment of Neal Bisno Dated April 18, 2013**

UPE is responding to the comment from Neal Bisno received by the Pennsylvania Insurance Department ("Department") on April 18, 2013. The comment is numbered as Document 1360 on the Highmark/West Penn Cumulative Log page of the Department website.

Mr. Bisno, President of SEIU Healthcare, has offered his support for the proposed affiliation of Highmark Inc. ("Highmark") and West Penn Allegheny Health System, Inc. ("WPAHS") noting that the proposed affiliation will help to preserve the nearly 12,000 jobs at WPAHS -- 2,000 of which are union positions. Additionally, he emphasizes that the preservation of the health system is critical in order to ensure meaningful access and competition in the health care market of western Pennsylvania.

UPE is in agreement with the comments of Mr. Bisno and finds the proposed affiliation of Highmark and WPAHS will help to ensure the continued vitality of the health care system and help preserve employment opportunities for the people living in the communities where these facilities are located. UPE believes it is important to preserve these valued community assets for the people of the western Pennsylvania.

UPE would like to thank Mr. Bisno for his comments and support.
