REQUEST 4.2.18

Identify any plans by WPAHS and WPAHS Affiliates to contract with (or terminate or amend any relationship with) any insurance carrier after the completion of the Transaction and discuss their impact on Highmark and the Highmark Affiliates.

RESPONSE:

Highmark has testified and publicly stated that its affiliation with WPAHS will support the health system's ability to work with all health care providers and health insurers interested in doing business with WPAHS. It does not anticipate that WPAHS will terminate or amend any relationship with any other insurance carrier (except amendments in the ordinary course of business).
