Dear Mr. Bloch,

This letter confirms our conversation of yesterday wherein you indicated that you could not find the transcript of the Saucon Mutual hearing on the Department's website. As we explained, the Department's website recently underwent a migration and the Saucon Mutual documents are now located at the following link:

<http://www.insurance.pa.gov/Companies/IndustryActivity/CorporateTransactionsofPublicInterest/SauconMutualInsuranceCompanyPlanofConversionFormA/Pages/default.aspx>.

Unfortunately, the public was also still able to access the old link, which contained a list of documents that were not updated and did not include a copy of the transcript of the hearing. Thank you for bringing this issue to our attention. We are working with our IT staff to remedy the issue as expeditiously as possible.

As we discussed, you are still welcome to file a public comment and we would encourage you to do so. The Department has noted on the webpage above that the comment period will be extended until close of business on November 2, 2015.

Sincerely,

A handwritten signature in black ink that reads "Kimberly A Rankin".
