Harrisburg, Pennsylvania
March 10, 2016

Honorable Joseph DiMemmo, CPA
Deputy Insurance Commissioner
Commonwealth of Pennsylvania
Insurance Department
Harrisburg, Pennsylvania

Dear Sir:

In accordance with instructions contained in Examination Warrant Number 14-00626-20702-R1 dated April 4, 2014, an examination was made of

ACE Fire Underwriters Insurance Company, NAIC Code: 20702

a Pennsylvania domiciled multi-state stock property and casualty company, hereinafter referred to as "ACE Fire" or "Company." The examination was conducted at the Company's home office, located at 436 Walnut Street, Philadelphia, PA 19106.

A report of this examination is hereby respectfully submitted.

SCOPE OF EXAMINATION

The Pennsylvania Insurance Department ("Department") has performed an examination of the Company, which was last examined as of December 31, 2009. This examination covered the five-year period from January 1, 2010 through December 31, 2014.

Work programs employed in the performance of this examination were designed to comply with the standards promulgated by the Department and the National Association of Insurance Commissioners ("NAIC") *Financial Condition Examiners Handbook* ("Handbook").

The Handbook requires that the Department plan and perform the examination to evaluate the financial condition, assess corporate governance, identify current and prospective risks of the Company, evaluate system controls and procedures used to mitigate those risks, and review subsequent events. An examination also includes identifying and evaluating significant risks that could cause an insurer's surplus to be materially misstated both currently and prospectively.

All accounts and activities of the Company were considered in accordance with the risk-focused examination process. This may include assessing significant estimates made by management and evaluating management's compliance with statutory accounting principles.

The examination does not attest to the fair presentation of the financial statements included herein. If, during the course of the examination an adjustment is identified, the impact of such adjustment will be documented separately following the Company's financial statements.

This examination report includes significant findings of fact, in accordance with 40 P.S. § 323.5(a), and general information about the Company and its financial condition. There may be other items identified during the examination that, due to their nature (e.g., subjective conclusions, proprietary information, etc.), are not included within the examination report but separately communicated to other regulators and/or the Company.

HISTORY

The Connecticut General Assembly incorporated ACE Fire on January 24, 1941, under the name Connecticut General Fire and Casualty Company. The Company commenced business on February 26, 1962, and adopted the name Aetna Underwriters Insurance Company on February 23, 1962.

On March 31, 1982, Connecticut General Corporation and INA Corporation merged and became the wholly owned subsidiaries of a newly formed corporation, CIGNA Corporation. On December 31, 1987, the Company’s name was changed to CIGNA Fire Underwriters Insurance Company.

On August 16, 1995, the Company was redomesticated from Connecticut to Pennsylvania. On November 1, 1999, the Company’s name was changed to ACE Fire Underwriters Insurance Company.

On February 8, 1996, in conjunction with the Insurance Commissioners of seven other domiciliary states, the Insurance Commissioner of Pennsylvania approved INA Financial Corporation’s (“INA Financial”) Plan of Restructuring and Recapitalization (the “Plan”). Under the Plan, INA Financial’s domestic property and casualty subsidiaries were reorganized into two

ACE Fire Underwriters Insurance Company

-3-

separate operations: one operation manages ongoing or active business and the other manages run-off policies and claims primarily relating to asbestos and environmental pollution exposures. Under the Plan, the Insurance Company of North America (“INA”) divided into two entities, an active company, INA, and an inactive company, CCI Insurance Company. The Plan also provided for the simultaneous mergers of CCI Insurance Company and CIGNA Specialty Insurance Company with and into Century Indemnity Company resulting in one single run-off company. As a result of the mergers, Century Indemnity Company’s business includes its own policyholders, INA policyholders allocated to CCI Insurance Company, and CIGNA Specialty’s policyholders.

In accordance with the Plan, INA Financial contributed \$375 million of additional capital to the run-off company and assumed debts of the run-off company. Additionally, the active operation provided the inactive subsidiary with an aggregate excess of loss reinsurance treaty protecting both the surplus and cash payment ability of the inactive company. Further, INA Financial agreed to retain at least 10% of any dividend paid by the active companies up to \$50 million as an additional source of capital for the inactive company. This “Dividend Fund” and the earnings thereon would be contributed to the inactive company prior to the aggregate excess of loss treaty being triggered.

At the conclusion of the 1996 restructuring of INA Financial Corporation, INA Holdings Corporation owned the stock of the active insurance company subsidiaries, and Brandywine Holdings Corporation (“Brandywine Group”) owned the stock of Century Indemnity Company. The Brandywine Group included three Pennsylvania domiciled insurance companies: Century Indemnity Company; Century Reinsurance Company and ACE American Reinsurance Company, in addition to other entities.

On July 2, 1999, ACE Limited acquired the property and casualty insurance company subsidiaries of CIGNA Corporation. CIGNA Corporation sold INA Corporation and its subsidiaries to ACE INA Holdings, Inc. (“ACE INA”), a subsidiary of ACE Limited, for \$3.45 billion.

The application for acquisition was filed with the Department on February 11, 1999 and approved June 14, 1999. The applicants were: ACE Limited; ACE Prime Holdings, Inc.; and ACE INA. The businesses acquired included the following entities:

- INA Corporation, a Pennsylvania business corporation and wholly owned subsidiary of CIGNA Holdings, Inc.
- INA Financial Corporation, a Delaware business corporation and wholly owned subsidiary of INA Corporation.
- Brandywine Holdings Corporation, a Delaware business corporation and wholly owned subsidiary of INA Financial Corporation.
- INA Holdings Corporation, a Delaware business corporation and wholly owned subsidiary of INA Financial Corporation.

ACE Limited is a holding company which, until July 18, 2008, was incorporated with limited liability under the Cayman Islands Companies Law. In March 2008, the Board of Directors (“the Board”) approved a proposal to move ACE Limited’s jurisdiction of incorporation from the Cayman Islands to Zurich, Switzerland (“the Continuation”). In July 2008, during ACE Limited’s

ACE Fire Underwriters Insurance Company

-4-

annual general meeting, the shareholders approved the Continuation and ACE Limited became a Swiss company effective July 18, 2008.

The Company is currently authorized to transact those classes of insurance described in 40 P.S. § 382 (b)(1) Property and Allied Lines, (b)(2) Inland Marine and Physical Damage, (b)(3) Ocean Marine, (c)(1) Fidelity and Surety, (c)(2) Accident and Health, (c)(3) Glass, (c)(4) Other Liability, (c)(5) Boiler and Machinery, (c)(6) Burglary and Theft, (c)(7) Credit, (c)(8) Water Damage, (c)(9) Elevator, (c)(10) Livestock, (c)(11) Auto Liability, (c)(12) Mine and Machinery, (c)(13) Personal Property Floater, and (c)(14) Workers' Compensation.

MANAGEMENT AND CONTROL

CAPITALIZATION

As of the examination date, December 31, 2014, the Company's total capital was \$73,024,971, consisting of 250,000 capital shares of issued and outstanding common stock with a par value of \$17 per share amounting to \$4,250,000; \$8,529,527 of paid in and contributed surplus; and \$60,245,444 in unassigned funds (surplus).

The Company's minimum capital and surplus requirements for the types of business for which it is licensed, pursuant to 40 P.S. § 386, is \$2,350,000 in capital and \$1,175,000 in surplus. The Company satisfied the capital and surplus requirements throughout the examination period.

STOCKHOLDER

The Company is a wholly owned subsidiary of ACE Property and Casualty Insurance Company, a Pennsylvania corporation, which in turn is the wholly owned subsidiary of INA Holdings Corporation, a Delaware corporation. During the examination period, the Company did not declare dividends.

INSURANCE HOLDING COMPANY SYSTEM

During the period under examination, the Company met the requirements for filing an insurance holding company system annual registration statement, in compliance with 40 P.S. § 991.1404. For each of the years under examination, ACE American filed the Statement with the Department by March 31 on its own behalf, as well as on behalf of the other Pennsylvania domestic insurance companies ultimately controlled by ACE Limited.

ACE Limited is named as the ultimate controlling person in the system. ACE Limited is a publicly held holding company traded on the New York Stock Exchange, under the symbol "ACE." ACE Limited is widely held, with beneficial owners, Wellington Management Company, LLP, Capital World Investors, BlackRock Inc., Vanguard Group Inc., JP Morgan Chase & Co. and State Street Corporation each holding more than 5% of ACE Limited common shares as of December 31, 2014. The global headquarters of ACE Limited is located in Zurich, Switzerland.

ARTICLES OF INCORPORATION

There were no changes to the Articles of Incorporation during the period under examination.

BY-LAWS

The Company amended its by-laws, effective March 23, 2010, to reflect updated language under Article V - Miscellaneous, Section 5.5 Indemnification.

SERVICE AND OPERATING AGREEMENTS

The Company is a party to a number of service and operating agreements with its affiliates. These agreements, which may include more than one affiliate, can be classified as one of the following types: administrative; accounting and legal service; expense allocation; reinsurance services (including brokerage); investment advisory; employee leasing; and tax allocation. The examination team reviewed a sample of these agreements and found them to be in compliance with the standards contained in 40 P.S. § 991.1405, with the exception of the agreements between the ACE American and ESIS, Inc. ("ESIS"), an affiliated company, and the agreements between ACE American and its affiliated property and casualty insurance companies with ESIS (see page 10). All of the reviewed agreements are in writing and received approval by the Company's Board.

ACE American and ESIS are party to several "Service" agreements whereby ACE American provides staffing, administrative, and technical services to ESIS, whereas ESIS provides services related to maintaining third party claims administrative services to ACE American. In addition, the ACE property and casualty insurance companies, including ACE American, entered into a Master Claim Service Agreement and a SIU Service and Support Agreement with ESIS. In

ACE Fire Underwriters Insurance Company

-10-

the first of these two agreements, ESIS provides claims adjusting services as a licensed third party claims administrator to these companies. In the second of the agreements, the ACE property and casualty insurers have delegated to ESIS their obligations to: (a) investigate potentially fraudulent claim activity, and (b) to report potentially fraudulent claim activity to governmental authorities as required by law or filed fraud plan.

Interwoven in the fabric of these agreements is a Cash Management Services Agreement between ACE American and ESIS. Under this agreement, effective January 1, 1999, all funds presently in the possession of ESIS or received in the future by ESIS for ACE American or ESIS from their respective customers are deposited in an account in the name of and under the control of ACE American. ACE American sees to the investment of such funds in securities or cash accounts. ACE American subcontracts the investment duties hereunder to State Street Global Advisors, a division of State Street Bank and Trust Company. ACE American accounts for the cash received on ESIS's account and the investment thereof, including the balance being held for ESIS, the amount of investment income credited to ESIS, the amount utilized to pay ESIS checks and drafts and the amount of any interest or fees charged by ACE American. ESIS pays ACE American a fee based upon its proportionate share of the costs and expenses that ACE American incurs in providing advisory services to ESIS.

In our review of the above agreements, we noted that neither the Master Claims Service Agreement nor the SIU Service and Support Agreement contain a sufficiently specific due date for payment of the services rendered. The provision in the agreements calling for 12 equal monthly payments without specifying when these payments would be made is not considered to be a specific settlement due date. A specific due date is required within a related party agreement in accordance with the provisions of SSAP No. 25, paragraph 7 (i.e., "Transactions between related parties must be in the form of a written agreement. The written agreement must provide for timely settlement of amounts owed, with a specified due date."). Lack of a specific due date is a violation of 40 P.S. § 991.1405(a)(1) as agreements without a specific due date are not be considered fair and reasonable.

The ACE property and casualty insurance companies should amend or replace the Master Claims Service Agreement and the SIU Service and Support Agreement, including specific dates for issuing invoices for services rendered and for payment of such services to the service provider in the amended or replacement agreements in compliance with SSAP No. 25, paragraph 7, and 40 P.S. § 991.1405(a)(1).

Additionally, the Company is party to a number of agreements with external parties e.g., third party administrators, service providers, brokers, and investment advisors, which are not listed here as they were not considered material to the examination.

REINSURANCE

The ACE Property & Casualty Reinsurance Program can be categorized into four components: Affiliated Reinsurance, External Reinsurance, Captive Reinsurance, and Pools and Associations.

ACE Fire Underwriters Insurance Company

-11-

AFFILIATED REINSURANCE

POOLING AGREEMENT (“Pool Companies”)

The Company participates in an intercompany reinsurance pooling agreement. ACE American serves as the lead company in the pool (“Intercompany Pool”) and reinsures 100% of the gross business written by each of the Pool Companies with the exception of a company’s foreign branch business and voluntary and mandatory pools and association business, which remains in the direct writing company. The foreign branch business is ceded 100% to a foreign affiliate, and the voluntary and mandatory pools and association business is not ceded and remains in the direct writing company. The Intercompany Pool determines the extent of gross written business it intends to cede to third parties and cedes this business through ACE American and ACE Property and Casualty Insurance Company (“ACE P&C”). Balances ceded to ACE P&C exclude ACE American’s and Insurance Company of North America’s foreign branch business that is ceded 100% to a foreign affiliate. ACE American retrocedes the remaining net business to each of the other Pool Companies in proportion to their contractual pool share.

The names, NAIC company code and pool participation percentage of the companies participating in the Intercompany Pool at December 31, 2014 are shown in the following chart:

Pool Participants	NAIC Code	Pool Participation
ACE American Insurance Company	22667	37.0%
ACE Property and Casualty Insurance Company	20699	35.0%
Pacific Employers Insurance Company	22748	17.8%
Insurance Company of North America	22713	5.0%
Bankers Standard Insurance Company	18279	2.1%
Indemnity Insurance Company of North America	43575	2.0%
Bankers Standard Fire and Marine Company	20591	0.9%
ACE Fire Underwriters Insurance Company	20702	0.2%
Pool Participation Total		100.0%

In addition to the affiliated reinsurance provided under the pooling agreement above, the aforementioned Pool Companies had the following reinsurance agreements with affiliates:

Pool Companies and WFIC with ACE INA Overseas Insurance Company Ltd

On December 31, 2000, as amended for a company name change on January 1, 2011, the Pool Companies and Westchester Fire Insurance Company (“WFIC”) entered into a reinsurance agreement with a Bermuda affiliate, ACE INA Overseas Insurance Company, Ltd (“AIOIC”). Under the terms of this agreement, AIOIC will reimburse these companies for any and all ultimate net losses incurred by these companies under certain workers’ compensation insurance and reinsurance policies issued by the companies. Coverage is provided by AIOIC for all incurred losses, allocated loss adjustment expenses, uncollectible reinsurance and any loss based

ACE Fire Underwriters Insurance Company

-12-

assessments pertaining to losses occurring on workers' compensation insurance policies issued on or prior to December 31, 2000, net of all salvage, subrogation and other recoverables. Settlements of premiums and losses under this agreement are on a funds held basis with funds remaining on deposit with the ceding companies.

Pool Companies and WFIC with ACE Tempest Reinsurance Limited

Effective January 1, 2007, the Pool Companies and WFIC entered into a loss portfolio transfer agreement with a Bermuda affiliate, ACE Tempest Reinsurance Ltd. ("ATRL"). Under the terms of this agreement, ATRL will reimburse these companies for any and all ultimate net loss and allocated loss adjustment expenses incurred up to \$1.4 billion for workers' compensation insurance and reinsurance policies, classified under certain business classification codes, issued by these companies on or after January 1, 2001, and on or before December 31, 2005. Effective January 1, 2011, WFIC's participation in this treaty was terminated on a cut-off basis. Consideration payable to ATRL is based on the premiums and losses that are ceded under the terms of the contracts.

Pool Companies and ACE Tempest Reinsurance Limited

Effective January 1, 2008, the Pool Companies entered into a net liabilities quota share reinsurance agreement with ATRL to reinsure 20% of the Pool Companies' current accident year underwriting results, excluding unallocated loss adjustment expenses. In addition, this agreement includes loss occurrence caps and an aggregate accident loss ratio cap of 150% of net earned premium. This net liabilities quota share reinsurance agreement was approved by the Department at inception. As of January 1, 2014, the parties entered into a new agreement that changed the cession rate to 15%.

Pool Companies and ACE Reinsurance (Switzerland) Limited

Effective January 1, 2009, the Pool Companies entered into a net liabilities quota share reinsurance agreement with a Swiss affiliate, ACE Reinsurance (Switzerland) Limited, to reinsure 10% of the Pool Companies' current accident year underwriting results, excluding unallocated loss adjustment expenses. In addition, this agreement includes loss occurrence caps and an aggregate accident loss ratio cap of 150% of net earned premium. This net liabilities quota share reinsurance agreement was approved by the Department at inception. Effective January 1, 2013, this agreement was amended to reinsure 15% of the Pool's current accident year underwriting results beginning January 1, 2013. As of January 1, 2014, the parties entered into a new agreement that changed the cession rate to 20%.

Century Indemnity Company

As provided in the 1996 Restructuring Order ("the Order") creating the Brandywine Group run-off companies, Century Indemnity Company ("Century") issued to a number of the active ACE property and casualty insurance companies ("ACE Companies") a General Liability Reinsurance Agreement ("GL87"). In the GL87 agreement, Century agreed to reinsure certain defined liabilities of these companies arising from direct general liability policies issued prior to January 1, 1987. At the same time, the ACE Companies issued an Excess of Loss Reinsurance

ACE Fire Underwriters Insurance Company

-13-

Treaty (“XOL”) to Century with a limit of \$800 million to protect the surplus and cash flow of Century. Included in the GL87 agreement is a unique provision that suspends Century’s obligation to settle reinsurance payments to the ACE Companies as long as Century cedes reserves to the XOL. Century currently cedes reserves to the XOL and projects that it will do so until the year 2068.

On September 19, 2013, the Department approved Century’s request, as a consistent interpretation of the intent of certain provisions of the Order, to discount its reinsurance payables to the ACE Companies under the GL87 agreement. The cumulative net effect, as of December 31, 2014, for the discounting of the GL87 reinsurance payables on the ACE Companies is a decrease to surplus of \$429.6 million, which was recorded as change in accounting principles in 2013 and any change moving forward as an “Aggregate write-in for miscellaneous income” on the income statement. Century recorded a similar entry to record the effect of the discount, which offset those amounts recorded by the ACE Companies.

Certified Affiliated Reinsurers

As of December 31, 2014, the Department had approved the following affiliated reinsurers as Certified Reinsurers pursuant to 40 P.S. § 442.1(a) and 31 Pa. Code 161.3(a):

Reinsurer Name	Certified Rating	Collateral Required
ACE Tempest Reinsurance Ltd.	Secure-2	10%
ACE Reinsurance (Switzerland) Ltd.	Secure-2	10%
ACE INA Overseas Insurance Company Ltd.	Secure-3	20%

EXTERNAL REINSURANCE

Reinsurance Intermediaries

Reinsurance intermediaries utilized by various ACE property and casualty insurance companies (“ACE”) include: Aon Re, Inc., Guy Carpenter and Company, Inc., Willis, Benfield, Inc., and JLT Re Solutions, Inc. All are licensed by the Department as required by 40 P.S. § 321.2 and ACE has written authorizations in place as required by 40 P.S. § 321.6. However, 40 P.S. § 321.3 requires that written authorizations between the reinsurance intermediary and the insurer they represent should contain certain specific termination provisions as specified in the statute. The written authorizations that ACE has in place with their reinsurance intermediaries is not in compliance with the specified termination provisions required by 40 P.S. § 321.3.

ACE should amend or replace the written authorizations with their reinsurance intermediaries to be compliant with the requirements of 40 P.S. § 321.3.

Reinsurance Program

As previously stated, the Intercompany Pool determines the extent of gross written business it intends to cede to third parties and that portion of business is retroceded to ACE P&C for cession to external reinsurers, thus the External Reinsurance Program is common to all the companies in the Intercompany Pool. The External Reinsurance Program provides indemnification to the companies by unaffiliated reinsurers, excluding captive reinsurers, and voluntary and mandatory pools. The program consists of many treaties in force or in runoff, supplemented by facultative placements. Due to the size and complexity of the program, a large number of authorized and unauthorized reinsurers participate. The following general treaty programs were in place as of the examination date, December 31, 2014:

CAPTIVE REINSURANCE PROGRAM

The Company, and its affiliates, assumes a portion of the risks insured by certain “captive” insurers (i.e., insurance companies owned by larger institutions, corporations, trade associations, local governments, educational institutions, etc. and insuring only the risks of that institution). These risks are generally assumed through an excess of loss treaty arrangement. These treaties limit the captive insurer’s losses either by occurrence or on an annual aggregate basis. Thus these large institutions are insured through their “captive” insurers and the losses of those “captive” insurers are limited by the reinsurance placed with the ACE family of insurance companies.

POOLS AND ASSOCIATIONS

The Company participates in various mandatory and voluntary pools and associations. The Company, inclusive of its affiliates, is a major writer of crop and hail coverage, which is reinsured by the Federal Crop Insurance Corporation.

TERRITORY AND PLAN OF OPERATION

The Company distributes its insurance products through a limited group of retail brokers. In addition to using brokers, certain products are distributed through channels such as general agents, independent agents, managing general agents, managing general underwriters, alliances, affinity groups and direct marketing operations.

North American property and casualty (“P&C”) operations are organized into five groups or business units: ACE USA, ACE Westchester, ACE Bermuda, ACE Private Risk Services, and ACE Commercial Risk Services. ACE USA distributes its coverage through retail brokers, provides a broad array of specialty property, casualty, and accident and health insurance products and risk management services to corporate clients across the United States and Canada. ACE Westchester specializes in excess and surplus lines specialty products, including property, inland marine, casualty, professional lines, and environmental liability products distributed through wholesale and select retail brokers. ACE Bermuda writes high-level excess liability, property, political risk and directors and officers insurance worldwide. ACE Private Risk Services provides high net worth individuals and families with homeowners, automobile, valuables, umbrella and recreational marine insurance. ACE Commercial Risk Services offers specialty insurance products and solutions for small businesses through a broad range of distribution channels.

North American Agriculture operations are organized into two business units: Rain and Hail and ACE Agribusiness. Rain and Hail provides comprehensive multiple-peril crop and crop-hail insurance distributed through a nationwide network of specialized agents. ACE Agribusiness provides farm and ranch property and specialty P&C coverages distributed through brokers and agents for companies that manufacture, process and distribute agricultural products.

The Company is licensed to write property and casualty insurance in fifty states and the District of Columbia. On a direct writings basis, the Company’s five most significant lines of business are Workers’ Compensation, Commercial Auto Liability, Inland Marine, Ocean Marine and Auto Physical Damage, which accounted for 97.8% of direct written premium and totaled \$29.2 million for the year ended December 31, 2014. PENDING LITIGATION

CLAIMS AND OTHER LITIGATION

The Company is party to various lawsuits and arbitration matters, which have arisen in the ordinary course of business. This category of business litigation typically involves, among other things, allegations of underwriting errors or misconduct, employment claims, regulatory activity, or disputes arising from business ventures. Management believes the outcome of these matters will not have a material adverse effect on the Company's results of operation, liquidity, or financial position, although it is possible the effect could be material to the Company's results of operation for an individual reporting period.

BUSINESS PRACTICES LITIGATION

In all of the lawsuits described above, plaintiffs seek compensatory and in some cases special damages without specifying an amount. As a result, the Company cannot at this time estimate their potential costs related to these legal matters and, accordingly, no liability for compensatory damages has been established in the financial statements.

The Company's ultimate liability for these matters will not have a material adverse effect on the Company's results of operation, liquidity, or financial position. It is possible, however, the effect could be material to the Company's results of operation for an individual reporting period.

OTHER LITIGATION

A legal representation letter was obtained from the Company's General Counsel. No material legal issues affecting the Company were presented in the letter.

FINANCIAL STATEMENTS

The financial condition of the Company, as of December 31, 2014, and the results of its operations for the five-year period under examination, are reflected in the following statements:

- Comparative Statement of Assets, Liabilities, Surplus and Other Funds;

ACE Fire Underwriters Insurance Company

-29-

U.S. government, foreign governments and political subdivisions; \$18 million in unaffiliated securities including credit tenant loans rated by the Securities Valuation Office of the NAIC; and \$38 million in commercial mortgage obligations, asset backed securities, and commercial mortgage backed securities. As of December 31, 2014 the bond portfolio's fair value of \$87,716,183 exceeded the book adjusted carrying value of \$85,318,135 by approximately \$2.4 million, or about 2.8% of the book value. The gross yield on the bond portfolio is consistent when compared to the industry during the past five years.

Approximately 99.9% of the Company's bonds are categorized as NAIC 1 or 2. The Company holds approximately \$6 million in privately placed bonds. The Company's private bond portfolio is diversified across various industries and issuers. The Company's bond portfolio has 86.2% of its holdings in maturities of ten years or less and 46.3% in maturities of two to five years. Both of these statistics are comparable with the industry averages.

The Company holds less than 0.01% of its investments in common stock and preferred stock.

The Company owns no real estate.

The Company holds no long term investments within the Schedule BA asset category.

The examiners reviewed the Custodial Agreement with State Street Bank and Trust Company for compliance with the provisions of 31 Pa. Code § 148.a.3 and found the Custodial Agreement complies with the regulation.

The Company has a written investment policy as required by 40 P.S. § 653b(b). The Board reviews and approves the investment policy on an annual basis. The Company was following its investment policy at December 31, 2014.

LIABILITIES

LOSS AND LOSS ADJUSTMENT EXPENSE RESERVES

The Company reported \$13,367,302 and \$2,861,122 for losses and loss adjustment expenses, respectively, on the December 31, 2014 Annual Statement. These amounts represent the Company's share of liabilities from the Intercompany Pool. The Company's reserving methodology has been consistently followed since the prior examination.

Paul G. O'Connell, FCAS, MAAA, Executive Vice President and Chief Actuary of ACE INA Holdings, Inc., has been the Company's appointed actuary for all years in the examination period. For each year in the examination period, Mr. O'Connell issued a Statement of Actuarial Opinion that the Company's carried reserves make a reasonable provision.

The Department engaged the actuarial examination services of Risk and Regulatory Consulting, LLC ("RRC") of Farmington, Connecticut to perform a risk-focused review of the loss and LAE reserves, the forecasting and reserving models, and pricing and underwriting activities for all companies in the ACE property and casualty subgroup, in conjunction with this examination. In the course of their work, RRC actuarial examiners relied upon the underlying

financial and risk-focused procedures performed by the financial examiners, the Company's Internal Audit Department, and the work of the Company's CPA.

Certain risks within the reserving and pricing processes required Phase 5 substantive test work. To mitigate the reserving risks, RRC performed an independent actuarial analysis of selected segments of the loss and LAE reserves as of December 31, 2014 that were assessed to present the highest risk of variability as determined by the risk-focused examination process. RRC also reviewed the loss and LAE reserve actual versus expected emergence through December 31, 2015 for selected segments.

Based upon the procedures performed, the RRC actuarial examiners determined that the Company's loss and LAE reserves fall within a reasonable range. The Department has accepted the appointed actuary's statement that reserves "make a reasonable provision for all unpaid loss and loss adjustment expense obligations combined of the Company under the terms of its contracts and agreements" such that the carried reserves are acceptable for purposes of this examination.

SUBSEQUENT EVENTS

On July 1, 2015, ACE Limited announced it would acquire The Chubb Corporation in a deal ultimately valued at approximately \$29.5 billion. According to ACE Limited management, the combined company will remain a growth company with complementary products, distribution, and customer segments, and will continue to focus on underwriting discipline. As of December 31, 2015, on an aggregate basis, the combined company had total shareholders' equity of nearly \$45 billion and cash, investments and other assets of \$154 billion. This acquisition was finalized on January 14, 2016.

RECOMMENDATIONS

PRIOR EXAMINATION

The prior examination report contained the following recommendations:

1. Going forward, it is recommended that the Company prepare a premium deficiency reserve calculation at the MCC level on at least an annual basis in accordance with SSAP No. 53, paragraph 15-16 and have such readily available for the Department, upon request.

The Company has complied with this recommendation.

CURRENT EXAMINATION

As a result of the current examination, the following recommendations are being made:

1. The ACE property and casualty insurance companies should amend or replace the Master Claims Service Agreement and the SIU Service and Support Agreement; including specific dates for issuing invoices for services rendered and for payment of such services to the service provider in the amended or replacement agreements in compliance with SSAP No.

ACE Fire Underwriters Insurance Company

-31-

25, paragraph 7, and 40 P.S. § 991.1405(a)(1). (See “Service and Operating Agreements”, page 9).

2. ACE should amend or replace the written authorizations with their reinsurance intermediaries to be compliant with the requirements of 40 P.S. § 321.3. (See “Reinsurance Intermediaries”, page 14).

CONCLUSION

As a result of this examination, the financial condition of ACE Fire Underwriters Insurance Company, as of December 31, 2014, was determined to be as follows:
