**2009 ASSESSMENT MANUAL**

Introduction

This manual should be used to calculate the Mcare assessment for 2009 as required by Act 13 of 2002 (“Act 13”). It is essential that this manual is read in its entirety. While the manual is intended to clarify and periodically modify procedures associated with calculating the assessment, the manual is not a substitute for complying with Act 13 (40 P.S. § 1303.101 et seq.) and the regulations (31 Pa. Code § 242.1 et seq.). Although the information in this manual is intended to complement Act 13 and its attending rules and regulations, if a conflict exist, Act 13 and its regulations are controlling.

The Mcare assessment is a percentage of the Pennsylvania Professional Liability Joint Underwriting Association (“JUA”) rates as approved by the Pennsylvania Insurance Department. For Mcare assessment calculation purposes, the JUA rates to be used are the base rates that are effective January 1, 2009. It has been determined that the 2009 assessment rate is 19%.

**TIP:** Consulting the JUA Rate Manual at [www.pajua.com](http://www.pajua.com) may provide details not specifically addressed herein.

**CONTACTING MCARE**

This manual addresses assessment calculation issues that most commonly arise. The principles contained in this manual can also be applied to many novel situations. After reading this manual, anyone with questions regarding calculation of the Mcare assessment should submit their questions in writing to Mcare.

## SECTION I. REMITTANCE ADVICE FORM e-216

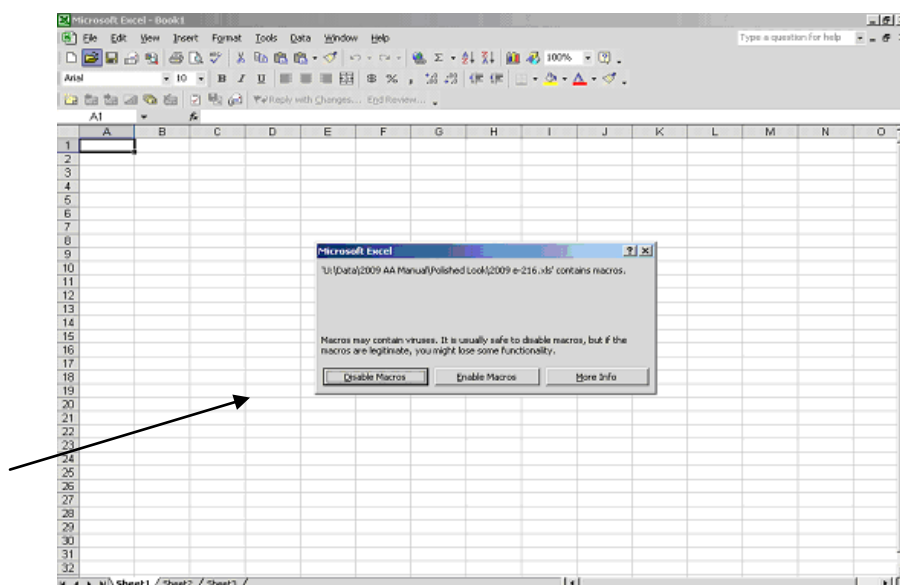

- A. FORM 216 GENERAL INFORMATION.** Form 216 serves as both a coverage reporting form as well as an accounting form. **It is important that the hardcopy 216 is identical to its corresponding e-216.** Prior written permission must be obtained from Mcare before alternate electronic submission or hardcopy only submissions will be accepted.

**Always download a new e-216 from our website each time you need to complete another e-216.** Mcare periodically improves Form e-216. Downloading a brand new Form e-216 each time will ensure the latest version is used. Form e-216, along with all applicable Worksheet Exhibits, is available by:

- Visiting our website at [www.insurance.state.pa.us](http://www.insurance.state.pa.us)
- Selecting “Mcare” from the left navigation bar
- Selecting “Assessment Manuals” from the left navigation bar
- Selecting the link for the appropriate year’s assessment manual
- Selecting the “Remittance Advice Form e-216” link
- Opening or saving the file

In addition to submitting a hardcopy form 216, an electronic form (e-216) is also required. Form e-216 is a Microsoft Excel spreadsheet that contains macros which adds functionality to the spreadsheet. When prompted to choose whether to “Disable Macros” or “Enable Macros,” please choose the “Enable Macros” button. (Example on next page)

**TIP:** If you are not prompted to “Disable Macros” or “Enable Macros,” your macro security level is set too high. Go to “Tools”, choose “Macro” and click on “Security.” Please choose “Medium” or “Low” in order to enable macros.

Form e-216 calculates the full assessment payable for physicians, podiatrists and certified nurse midwives based on the information provided in columns “A” through “N.” The worksheets will calculate the assessment for hospitals (Hosp. WS), corporations (Corp. WS), birth centers (BC WS), nursing homes (NC WS) and primary health centers (PHC WC). It is necessary for the coverage information for these entities to be added to the Form e-216. The worksheet for these entities must be submitted in addition to and along with the completed Form e-216. The worksheets, Hospital Roster, and Form 316 are tabbed at the bottom of the Form e-216.

Placing the cursor on a field with a small red triangle in the upper right-hand corner of the cell on the Form e-216 will cause a comment box to appear that describes in detail the information that is needed in that field. All applicable fields of information must be completed.

The 2009 Form e-216 is to be used to report only coverage for policies that are issued or renewed in 2009. This is because the 2009 Form e-216 will calculate the assessment based on 2009 rates. When reporting mid-term additions and deletions to an existing master policy, use the effective year of the master policy to determine the applicable year and rates. Form e-216 is the required form to be used by all primary insurers and self-insurers, unless specifically exempted in writing by Mcare.

**NOTE:** FORM E-216 IS A TOOL TO ASSIST IN THE CALCULATION OF THE ASSESSMENT; HOWEVER, ALL ASSESSMENTS MUST BE REVIEWED FOR ACCURACY BEFORE SUBMITTING TO MCARE. TRANSACTIONS SHOULD BE REPORTED AND RECEIVED AT MCARE IN CHRONOLOGICAL ORDER.

**TIP:** Select a due date for your invoice which allows sufficient time for you to comply with the 60-day reporting requirement.

Coverage information along with collected assessment payments, if applicable, should be received by Mcare **within 60 days of the effective date of coverage**. Failure to remit the assessment or failure to remit a sufficient assessment within 60 days of the effective date of coverage may result in both disciplinary action against a health care provider's license and the denial of Mcare coverage in the event of a claim against the health care provider or eligible entity.

**Please make checks payable to: Medical Care Availability and Reduction of Error Fund or "Mcare."** Each check must be accompanied by a completed hardcopy Form 216 that is identical to the electronic e-216, a cover letter, and any applicable worksheets and supporting documentation. The remittance total must be equal to the check amount remitted unless the primary insurer or self-insurer has a prior credit balance and it is properly documented in an attached cover letter.

**B. ELECTRONIC SUBMISSIONS.** The standard for primary insurers and self-insurers submitting coverage and payment information to Mcare is to do so electronically via e-mail to Mcare at the following e-mail address: **ra-in-remittance@state.pa.us**. Additionally, the hard copy and payment, if applicable, must be mailed to Mcare.\*

**TIP:** The Commonwealth of Pennsylvania's email system will not accept an email with a file size of 10 megabytes or larger. Files 10 MB or larger must be placed on a disk and mailed or divided and emailed.

- Please note that previously the limit was 5 MB but has been changed to 10 MB.
- For e-216s that require multiple email submissions, please include in the body of the email the number and total number (x of y) of emails pertaining to the submission. For example, 1 of 4 or 3 of 3, etc.

The **Subject line** of the e-mail must be in the following format:

Insurer's 3 Digit Mcare #    Official e-216    Date of e-216    Check No. (if applicable)

EXAMPLE:      000 Official e-216 01/01/08 Check No. 123456

Electronic submissions may be sent in one of the following formats:

1. Exhibit 4 – Remittance Advice Form e-216.\*

Transmit the completed Form e-216 by e-mail to Mcare or send a CD or diskette by mail along with a hard copy and the check.

2. Fixed Width Text File Format.\*

Submissions in this format must be pre-approved by Mcare. Specifications for this format can be provided by your Mcare Coverage Specialist. Once approved, submissions can be transmitted by e-mail, tape or other electronic media. This type of electronic submission is limited to new, renewal and mid-term addition business. Cancellations, corrections and endorsements must be remitted separately via Form e-216.

3. Comma Separated Value Format.\*

Submissions in this format must be pre-approved by Mcare. Specifications for this format can be provided by your Mcare Coverage Specialist. Once approved, submissions can be transmitted by email, tape or other electronic media. This type of electronic submission is limited to new, renewal and mid-term addition business. All cancellations, corrections and endorsements must be remitted separately via Form e-216.

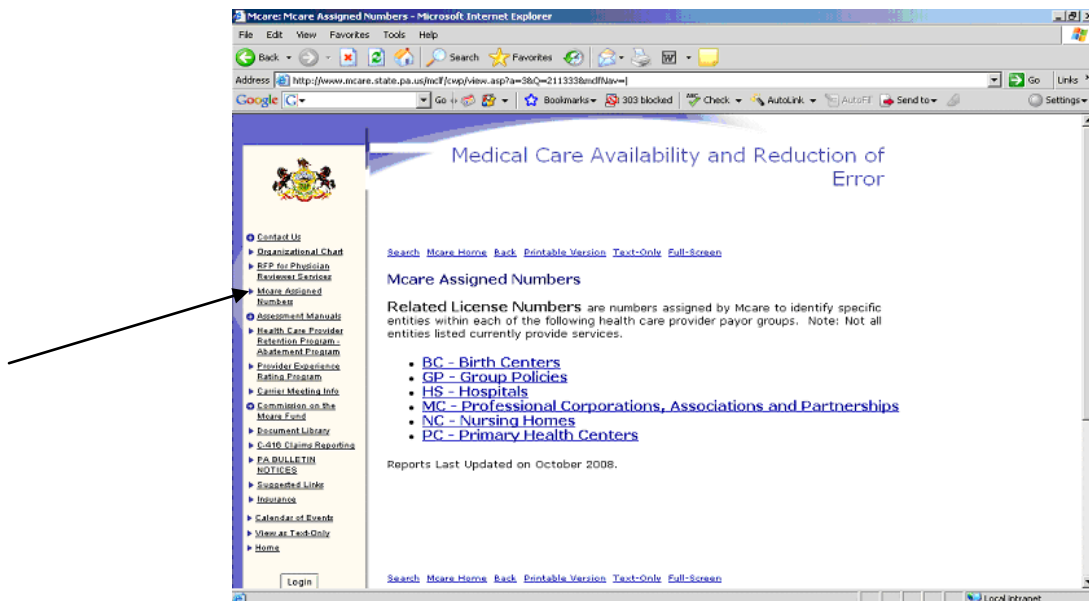

## SECTION II. REPORTING GUIDELINES

**A. COMMENT COLUMN.** Comments must be completed on each coverage line of the Form e-216. It is very important that this information is accurate. Please be especially careful in using the “New” for business that is new to your company versus the “Rnw” comment. Please use the “Cncl” comment only for coverage that is actually being cancelled. A description of each comment can be found on the Form e-216 by placing your cursor on the red triangle at the top of the Comment column.

The screenshot displays the Microsoft Excel 2009 interface with the '2009 REMITTANCE ADVICE (FORM e-216)' spreadsheet open. The spreadsheet is divided into several sections. The top section contains fields for Date, Related Lic. #, Basic Insurance Coverage limit, and Contact Person's information. The middle section is a table with columns for License #, Name, From Date, To Date, Cancel Date, Retro Date, Carrier's Policy #, Policy Type, F.Y.E. Factor, Primary Carrier's Premium, Prevailing Premium, Full Assessment, Remitted Assessment, Comment, and Related License #. A red triangle is visible at the top of the Comment column, and an arrow points to it from the right side of the spreadsheet. The bottom section contains a status bar with the text 'Ready' and 'Microsoft Excel - 2009'.

**B. RELATED LICENSE NUMBERS** are license numbers assigned by Mcare to identify specific hospitals (HS), corporations (MC) or groups (GP). Mcare assigns a GP number to a nonparticipating entity whenever a group of health care providers are reported under the same policy. Mcare identifies the specific related hospital, corporation, or group that individual health care providers are employed by or affiliated with for rating and statistical purposes. Related license numbers can be found on our website on the Navigation bar under the link for Mcare Assigned Numbers.

When submitting a Form e-216 for health care providers employed by one related license number, indicate the Mcare issued related license number in the related license number field at the top of the Form e-216 (cell B4). This will automatically populate the related license number in the V column on the Form e-216.

If submitting a Form e-216 with multiple related license numbers, please type the related license number in the V column of the Form e-216 corresponding with each line of coverage. One continuous Form e-216 per remittance should be e-mailed regardless of how many related license numbers are reported. If this is problematic, please contact the Coverage Specialist who handles your account. Please type the corresponding name of the hospital, corporation, or group as a heading in the name column on the line above each group of health care providers having the same related license number.

**C. ENDORSEMENTS AND CANCELLATIONS** must be reported to Mcare within 60 calendar days of the effective date of the cancellation or endorsement. Extended reporting endorsements ("tail") are due to Mcare within 120 calendar days of the expiration date of the underlying claims-made coverage. When an endorsement or cancellation is reported to Mcare and the result is a credit, the credit shall be recorded on the Form e-216 with parentheses to distinguish it from a debit. Mcare calculates transactions on a pro rata basis (i.e., for a partial year of coverage).

If the reporting of a cancellation, an endorsement or the sum of an endorsement falls beyond the 60-day reporting requirement and results in an assessment credit, the cancellation or endorsement shall still be reported, but no credit will be issued or accepted by Mcare.

There are five exceptions to the no credit rule for a cancellation or endorsement that is received by Mcare beyond 60 days from the effective date of the cancellation or endorsement:

- Cancellation due to suspension or revocation of the insured's license
- Cancellation by carrier due to nonpayment of premium
- Cancellation or endorsement submitted with the written consent of Mcare
- The health care provider is deceased or disabled ☒

**ENDORSEMENTS (END).** An endorsement is a change to previously reported coverage that is not a cancellation or correction. Endorsements should be reported by simulating cancellation of the previously reported coverage effective the endorsement date. This is done by entering the original policy “From Date” and “To Date” and entering the endorsement date in the “Cancel Date” column, but indicate “**END**” in the Comment column. On the next line, show the endorsement date as the “From Date” and the expiration date as the “To Date.” Also indicate “END” in the Comment column on this line. The Form e-216 will calculate the assessment for both of these lines. If this method is problematic, please contact your Coverage Specialist for alternatives.

**CANCELLATIONS (CNCL)** should be reported by reporting the full original policy period in the coverage “From Date” and “To Date” and inserting the cancellation date in the “Cancel Date” column. Indicate “**CNCL**” in the “Comment” column of the Form e-216. The Form e-216 will calculate the return assessment credit.

**TIP:** Mcare will not honor credit for an endorsement or cancellation that is reported to Mcare more than 60 days after the effective date of the endorsement or cancellation. You may wish to inform those for whom you calculate the assessment that they must have endorsement and cancellation information to you in time for you to submit such information to Mcare within 60 days of the endorsement or cancellation effective date.

**D. CORRECTIONS (CORR).** Failure to provide correct information/payment to Mcare may result in a health care provider being reported to the licensing board for noncompliance. A claim being made prior to the correct information/payment being reported to Mcare may result in the denial of Mcare coverage.

The Correction Form e-216 should include a copy of the correspondence from Mcare that identified the discrepancies. To properly report a correction, reverse what was originally reported incorrectly and report a new line with the correct information. This will result in two line items on the Form e-216 per correction. The first line should show the “From Date” and the “To Date” that were originally reported, the effective date in the “Cancel Date” column, and the reverse of the incorrect assessment amount that was originally submitted (if originally reported a debit, report a credit of the same amount and if originally reported a credit, report a debit of the same amount). On the next line report the correct information with the correct assessment amount. Also indicate “CORR” in the “Comment” column on both lines. Corrected Form e-216s should include only those health care providers being corrected. Do not resubmit entries that were previously reported correctly. The Correction Form e-216 should be given a new remittance date but also insert the remittance date of the original remittance you are correcting on the line on the e-216 that states “Correcting (date)” (Cell B9).

### SECTION III. CALCULATING THE MCARE ASSESSMENT

Mcare assessments are to be remitted to Mcare via the form e-216 along with any required documents. **Always download a new e-216 from our website each time you need to complete another e-216.** This section is designed to assist in the manual calculation of the Mcare assessment for the various types of health care providers and eligible entities participating in Mcare.

#### A. PHYSICIANS, PODIATRISTS & CERTIFIED NURSE MIDWIVES

**REQUIRED FORM:**      [EXHIBIT 4 \(REMITTANCE ADVICE FORM e-216\)](#)

**NOTE:** PENNSYLVANIA LAW REQUIRES PHYSICIANS, PODIATRISTS AND CERTIFIED NURSE MIDWIVES TO HAVE FULL ANNUALIZED, SEPARATE AND INDIVIDUAL LIMITS. ADDITIONAL INSURED MAY NOT SHARE LIMITS WITH AN MCARE PARTICIPATING PHYSICIAN, PODIATRIST OR CERTIFIED NURSE MIDWIFE.

1. Determine highest rated classification. (Refer to Exhibit 3)
2. Determine highest rated territory. (Refer to Exhibit 10)

WHEN TWO OR MORE CLASSIFICATIONS AND/OR TERRITORIES ARE APPLICABLE TO COVERAGE BEING REPORTED, THE ASSESSMENT FOR THE HIGHEST RATED CLASSIFICATION AND/OR TERRITORY WILL APPLY.

3. Locate appropriate prevailing primary premium. The assessment for a physician, podiatrist or certified nurse midwife must be calculated by multiplying the prevailing primary premium by the 2009 annual assessment rate of 19%. (Refer to Exhibit 1)
4. Apply other applicable assessment rating factors as outlined in Section IV.
5. Submit a completed Remittance Advice Form e-216.

#### B. PROFESSIONAL CORPORATIONS, PROFESSIONAL ASSOCIATIONS & PARTNERSHIPS (SPECIALTY CODE 80999)

**REQUIRED FORMS:**      [EXHIBIT 4 \(REMITTANCE ADVICE FORM e-216\)](#)  
                                 [EXHIBIT 5 \(WORKSHEET FOR PROFESSIONAL CORPORATIONS, PROFESSIONAL ASSOCIATIONS & PARTNERSHIPS\)](#)

**NOTE:** PENNSYLVANIA LAW PROHIBITS PROFESSIONAL CORPORATIONS, PROFESSIONAL ASSOCIATIONS & PARTNERSHIPS FROM SHARING LIMITS WITH ANY HEALTH CARE PROVIDER. ADDITIONAL INSURED MAY NOT SHARE LIMITS WITH A PARTICIPATING PROFESSIONAL CORPORATION, PROFESSIONAL ASSOCIATION OR PARTNERSHIP.

Proof of eligibility is required for any entities that are newly reported to Mcare. Copies of Articles of Incorporation, approved and stamped by the Pennsylvania Department of State, and a list of owners are required for professional corporations and professional associations. Copies of partnership agreements are required for partnerships. Professional corporations, professional

associations and partnerships must be reported on the Remittance Advice Form e-216 and submitted along with their applicable worksheets. Reporting of mid-term endorsements, additions and deletions is not required; however, if choosing to report mid-term changes to a policy, all mid-term changes must be reported.

For more information about Mcare participation for Professional Corporations, Professional Associations & Partnerships, please refer to Section 711 of Act 13 of 2002.

1. The assessment for a professional corporation, professional association or partnership is calculated by computing the sum of 15% of the total 2009 Mcare assessments for each shareholder, owner, partner, independent contractor and employed health care provider. (Refer to Example 1)

**NOTE:** A SHAREHOLDER OF A PROFESSIONAL CORPORATION OR PROFESSIONAL ASSOCIATION, OR A PARTNER OF A PARTNERSHIP MUST BE A HEALTH CARE PROVIDER AS DEFINED IN ACT 13 OF 2002; HOWEVER, THEY DO NOT NEED TO BE AN MCARE PARTICIPATING HEALTH CARE PROVIDER.

#### Example 1

Five health care providers are shareholders, owners, partners, independent contractors or employees of Professional Corporation “Y” which provides emergency room services in Territory 1.

License #	Name	Specialty Code	County Code	HCP's Assessment	Other Rating Factors
MD123456	John Smith	03531	51	\$ 8,238	Y3
MD654321	Jane Smith	03531	51	\$ 10,984	
MD012345L	Mark Jones	03531	51	\$ 10,984	
MD054321E	Sally Jones	03531	51	\$ 10,984	
MD246810	Joseph Miller	03531	51	\$ 7,140	PT 16

The sum of the total 2009 unabated assessments for all health care providers who are shareholders, owners, partners or employees of Professional Corporation “Y” is \$48,330. (\$8,238, \$10,984, \$10,984, \$10,984 and \$7,140 = \$48,330). Thus, the 2009 assessment owed by Professional Corporation “Y” is \$7,250 (\$48,330 X 15% = \$7,250).

If any of the shareholders, owners, partners, independent contractors or employees have different policy dates than the professional corporation, professional association or partnership policy, they shall be listed on the worksheet with their annual 2009 assessment that is effective or will be effective in the same calendar year as the professional corporation, professional association or partnership’s policy. (Refer to Example 2)

### Example 2

Professional Corporation “Z” has a policy effective from 7/01/09-7/01/10. The shareholders, owners, partners, independent contractors and employees have individual effective dates as follows:

John Smith 02/01/09-02/01/10 2009 Policy  
Jane Smith 07/01/09-07/01/10 2009 Policy  
\*Mark Jones 11/01/09-11/01/10 2009 Policy

\*When Mark Jones renews his 2009 policy on 11/01/09, his assessment will be \$10,984. The corporation’s assessment is based on his 2009 assessment even though it is not in effect at the time the corporation renews its coverage.

License #	Name	Specialty Code	County Code	HCP's Assessment	Other Rating Factors
MD123456	John Smith	03531	51	\$ 8,238	Y3
MD654321	Jane Smith	03531	51	\$10,984	
MD012345L	Mark Jones	03531	51	\$10,984

EXHIBIT 7 (WORKSHEET FOR NURSING HOMES)

1. Determine highest rated territory. (Refer to Exhibit 10)

Each nursing home must report either convalescent bed counts or skilled nursing bed counts, not both. If 50% or more of patients are age 65 and under, all bed counts must be reported as convalescent. If 50% or more of patients are over age 65, all bed counts must be reported as skilled nursing.

2. The assessment for a nursing home will be calculated by multiplying the total prevailing primary premium by the 2009 annual assessment of 19%.
3. Apply other applicable assessment rating factors as outlined in Section IV.

1. The assessment will be calculated by computing the sum of 25% of the total 2009 assessments for all health care providers who use the facility or who have an ownership interest. (Refer to Example 3)

**Example 3**

Three health care providers whose specialty codes are 08029 use or have an ownership interest in Birth Center “X” in territory 1.

License #	Name	Specialty Code	County Code	HCP's Assessment	Other Rating Factors

The sum of the total 2009 unabated assessments for all health care providers who use the facility or who have an ownership interest in Birth Center “X” is \$65,278. (\$26,111, \$13,056, \$26,111 = \$65,278). The 2009 assessment owed by Birth Center “X” is \$16,320 (\$65,278 X 25% = \$16,320).

mandatory. If a health care provider is licensed in Pennsylvania and less than 50% but more than 0% of patients to whom the health care provider renders healthcare services are in Pennsylvania, the health care provider may choose to participate in Mcare, but if the health care provider opts out of participating in Mcare they must still meet the mandatory insurance requirements as required in Act 13 of 2002.

#### **SECTION IV.            ADDITIONAL ASSESSMENT RATING FACTORS**

In addition to the above information, there are other factors that affect rating the health care provider's assessment that are listed below:

**A. PART-TIME.** Physicians, podiatrists and certified nurse midwives who advise their primary insurer or self-insurer in writing that they practice on annual average:

- “08” 8 Hours or less per week shall be charged 50% of the otherwise applicable Mcare assessment (50% discount).
- “16” 16 Hours or less, but more than 8 hours, per week shall be charged 65% of the otherwise applicable Mcare assessment (35% discount).
- “24” 24 Hours or less, but more than 16 hours, per week shall be charged 80% of the otherwise applicable Mcare assessment (20% discount).

**NOTE:** PART-TIME DISCOUNTS ARE NOT AVAILABLE TO HEALTH CARE PROVIDERS REPORTED WITH AN FTE FACTOR LESS THAN 1.000.

**B. NEW PHYSICIANS AND NEW PODIATRISTS** may receive the discount indicated off of the otherwise applicable assessment:

- “Y1” Charge 25% of the otherwise applicable assessment for the first year of coverage (75% Discount).
- “Y2” Charge 50% of the otherwise applicable assessment for the second year of coverage (50% Discount).
- “Y3” Charge 75% of the otherwise applicable assessment for the third year of coverage (25% Discount).

The first year of coverage for a new physician (allopathic or osteopathic) or a new podiatrist begins on the date medical liability coverage is first secured if such coverage is secured within six months after:

1. The completion of (a) a residency program, (b) a fellowship program in their medical specialty or (c) podiatry school or
2. The fulfillment of a military obligation in remuneration for medical school tuition.

Such physicians or podiatrists must be either joining a medical group or opening their own medical practice. If the initial coverage is secured more than six months after (1) or (2) above first occurs, the physician or podiatrist will be considered to be in the year of coverage that would apply if coverage had first been secured within six months after (1) or (2) above.

**NOTE:** A HEALTH CARE PROVIDER MAY ONLY USE ONE LIFETIME (Y1, Y2, Y3) SERIES OF NEW PHYSICIAN OR NEW PODIATRIST DISCOUNT. THIS DISCOUNT IS NOT AVAILABLE TO NURSE MIDWIVES.

**C. RESIDENTS AND FELLOWS** may receive the discount indicated off of the otherwise applicable assessment:

- “R” Charge 50% of the otherwise applicable assessment (50% Discount).

A resident or fellow is a physician or podiatrist enrolled in a medical, osteopathic or podiatry residency or fellowship program who has successfully completed the prescribed period of postgraduate education that is necessary under applicable law to become eligible for unrestricted medical, osteopathic or podiatry licensure in the Commonwealth of Pennsylvania.

**NOTE:** RESIDENT/FELLOW AND NEW PHYSICIAN DISCOUNTS CANNOT BE USED TOGETHER.

**D. SLOT POSITIONS.** Only employees of an institution licensed as a hospital and a physician practice plan owned by a hospital or that hospital’s corporate parent organization will be permitted to be slot-rated, based upon their clinical time only, to account for risks associated with “blocks” of in-hospital medical service exposures (i.e., several physicians rotating through one full-time equivalent position). The slot positions must be within the scope of duties and normal business of the institution and within a single medical specialty and job description. When added together, all health care providers within this one slot or block of exposure must equal one Full-Time Equivalent (FTE).

When multiple health care providers fill a slot-rated position, the assessment shall be appropriately divided among them on a pro rata basis for the FTE position. If the aggregate hours of clinical time of those filling a slot exceed 40 hours per week, a new slot must be created. Each health care provider in a slot must be reported to Mcare with full, separate and individual coverage limits. Such coverage is available only for the individual professional liability of the health care providers within the slot and is not available for entities. The number of health care providers in any one slot shall be limited to 12.

Slot rating shall be limited to the following specialty codes:

Anesthesiology - Excl Maj S*	02083	Neurology - Excl Maj S	02011
General or Family Practice - NS	01520	Neurosurgery	10011
General Surgery and Internal Medicine - Maj S	07043	Obstetrics/Gynecology*	08029
Hematology - NS	00608	Orthopedic Surgery	09013
Hospitalist - NS	01522	Pathology - NS	00715
Infectious Diseases - NS	01540	Pediatrics - NS	01067
Intensive Care Medicine	01589	Psychiatry - NS*	00619
Internal Medicine - NS	01510	Radiology - Excl Maj S*	02260
Internal Medicine*	03010	Rehabilitation/Physiatry - NS	00621
Neonatology - NS	01541	Trauma - Maj S	07084
		Urgent Care - Excl Maj S*	03531

\*See Exhibit 3 for Complete Specialty Code Description

Slot coverage is not available to health care providers associated with group practices for non-hospital environments or to groups that contract to provide medical services within a hospital. Slot rating is not available to a health care provider who works full-time in one specialty (37.5 hours or more per week) at an institution, unless the position is a rotating resident position.

When a health care provider leaves a slot-rated position, but the slot remains open, slot tail must be reported for the health care provider who is leaving. Please provide notification to Mcare in your cover letter when a new slot is opened or an existing slot is closed. If the last health care provider in a slot leaves and the slot closes, tail must be reported for the entire slot on that last health care provider's reported tail coverage. Indicate the retroactive date of the slot in the cover letter and the retroactive date of the health care provider on the e-216. If the retroactive date of the slot (not the last health care provider in the slot) is prior to January 1, 1997, a surcharge is due to Mcare based upon 1996 tail rates and surcharge percentage.

**NOTE:** PART-TIME DISCOUNTS ARE NOT AVAILABLE TO HEALTH CARE PROVIDERS REPORTED IN A SLOT.

**E. LOCUM TENENS.** Taken from the Latin “to hold the place of, to substitute,” a locum tenens health care provider is one who contracts with a medical facility or group, to temporarily supply health care services while a permanent health care provider is absent, for a specified length of time. This term shall also include health care providers who are temporarily engaged to assist during peak periods of the year, test market new services in a community, expand services into new geographical areas and care for patients while new permanent health care providers are recruited.

**INDIVIDUAL LOCUM TENENS POLICIES:** For individual physicians who provide health care services in locum tenens and are participating health care providers, the assessment shall be reported on a short-term basis for the specific dates being covered. If written on a claims-made basis, tail coverage or its substantial equivalent must be provided and reported to Mcare upon termination of the claims-made coverage.

**NOTE:** A DECLARATION OF COMPLIANCE FORM MAY NEED TO BE COMPLETED FOR ANY GAPS IN COVERAGE. (PLEASE SEE WEBSITE FOR FORM)

**GROUP LOCUM TENENS POLICIES:** For physician groups who provide health care services in locum tenens and are participating health care providers, the assessment shall be prorated through use of Full-Time Equivalents (FTE) and reported as follows:

**1. Annual Policy Period:** Calculate the FTE based on the estimated total number of days included for each locum tenens assignment. At the end of the policy period the FTE should be adjusted for actual total number of days included for each assignment. (Refer to Example 4)

Example 4:

The policy period reported is 2/1/09 – 2/1/10. A health care provider has the following assignments in PA: 2/6/09-2/25/09 (20 days), 5/1/09-5/26/09 (26 days), 7/10/09-7/29/09 (20 days), 9/18/09-10/14/09 (27 days), and 11/13/09-12/17/09 (35 days) = a total of 128 days of locum tenens assignment in PA divided by 365 days a year ( $128 \div 365 = 0.351$ ). The FTE reported would be 0.351. Note: 365 days should also be used in a leap year.

**2. Mid-Term Additions:** When adding a health care provider to a group locum tenens policy mid-term, the preferred method is to use the start date of the health care provider as the inception and retroactive date. Please note, the FTE must be based on the actual number of days in the policy period (health care provider's inception date to expiration date).

Example 5:

The group policy period is 7/1/09 – 7/1/10. The health care provider's start date is 10/1/09. The policy period reported for this health care provider is 10/1/09 – 7/1/10.

The health care provider has the following assignments in PA: 10/6/09 – 10/25/09 (20 days), 1/1/10 – 1/26/10 (26 days), 5/1/10 – 5/26/10 (26 days) = a total of 72 days of locum tenens assignment in PA divided by 273 days in the policy period ( $72 \div 273 = 0.264$ ). The FTE reported would be 0.264.

Tail coverage or its substantial equivalent must be provided and reported for physicians who end their assignments in Pennsylvania with the locum tenens group if coverage is written on a claims-made basis.

**NOTE:** PART-TIME DISCOUNTS ARE NOT AVAILABLE TO HEALTH CARE PROVIDERS REPORTED WITH AN FTE FACTOR LESS THAN 1.000.

**F. BIFURCATION (BIFU).** If a health care provider changes the effective date of their professional liability coverage and that change results in a health care provider receiving more than 12 months of the same assessment rate, then the appropriate assessment will be bifurcated to include the assessment percentages applicable to each calendar year over which the new policy is in effect. This allows only 12 months maximum at the same assessment rate for the year that the policy effective date was changed. Report each portion of the bifurcated assessment on separate Remittance Advice Forms e-216 applicable to the rate year that is being paid (i.e., for the example below report 7/1/08 to 1/1/09 on a line on a 2008 Remittance Advice Form e-216 using the 2008 rates and report 1/1/09 to 7/1/09 on a line on a 2009 Remittance Advice Form e-216 using the 2009

rates). Indicate “BIFU” in the Comment column of the Forms e-216 on both lines of coverage. (Refer to Example 7)

**TIP:** Select a due date for your invoice for the second portion of the bifurcation which allows sufficient time for you to comply with the 60 day reporting rule.

**NOTE:** THE ASSESSMENT FOR SUBSEQUENT ANNUAL RENEWALS SHOULD NOT BE BIFURCATED AGAIN AND MAY RESULT IN A HEALTH CARE PROVIDER RECEIVING MORE THAN 12 MONTHS OF THE SAME ASSESSMENT RATE.

**IN THE EXAMPLE BELOW, PLEASE NOTE THAT THE SECOND PART OF THE BIFURCATED POLICY 1/1/09-7/1/09 WOULD BE DUE 60 DAYS FROM 1/1/09.**

**Example 7:**

A health care provider has a policy from February 1, 2008 to February 1, 2009. The 2008 assessment (20%) was reported on this policy. On July 1, 2008, the health care provider cancels his policy and purchases a new policy for the period of July 1, 2008 to July 1, 2009.

- (1) The assessment shall be prorated from July 1, 2008 to January 1, 2009 using the 2008 assessment (20%).
- (2) The policy period from January 1, 2009 to July 1, 2009 shall be prorated by using the 2009 assessment (19%).
- (3) Upon renewal of the July 1, 2009 policy, the 2009 assessment (19%) will be applied for the full annual period.

	2/1/2008 to 2/1/2009	(20%)
Cancelled	(7/1/2008 to 2/1/2009)	(20%)
	7/1/2008 to 1/1/2009	(20%) Bifurcated
	1/1/2009 to 7/1/2009	(19%) Bifurcated
	7/1/2009 to 7/1/2010	(19%)

## SECTION V. NONPARTICIPATING TRANSMITTAL (FORM 316)

**A. GENERAL INFORMATION.** The Nonparticipating Transmittal Form 316 is the required form to be used by primary insurers and self-insurers who provide coverage to nonparticipating health care providers. A nonparticipating health care provider is a health care provider as defined in Section 103 of Act 13 that conducts less than 50% but more than 0% of their health care business or practice within this Commonwealth and does not choose to participate in Mcare. The health care business or practice, as defined in Section 702, is based on the number of patients to whom health care services are rendered by a health care provider within an annual period.

Nonparticipating health care providers must secure basic insurance coverage limits as required by and consistent with Act 13 of 2002. Current coverage limits are \$1 million per occurrence or claim and \$3 million per annual aggregate.

## SECTION VI. PRIOR ACTS, RETRO, AND TAIL COVERAGE

- E. PRIOR ACTS (“NOSE”) AND RETROACTIVE (“RETRO”) COVERAGE.** When prior acts coverage is written for claims-made coverage with a retroactive date before January 1, 1997, the surcharge associated with the Mcare prior acts coverage shall be 164% of the primary insurer’s premium for the primary prior acts coverage, but only for that portion of the primary prior acts coverage prior to the 1997 policy. No additional assessment is due on retro coverage reported on claims-made policies. Please note that Mcare will not accept retro coverage that covers any period of time wherein previous underlying claims-made coverage has not been reported to Mcare.
- F. EXTENDED REPORTING PERIOD (“TAIL”) COVERAGE.** Following cancellation, termination or nonrenewal of claims-made coverage in Pennsylvania, a primary insurer writing medical professional liability insurance on a claims-made basis is required to offer, for a period of 60 calendar days, liability protection to a health care provider, eligible professional corporation, professional association or partnership for the liability previously covered by the primary insurer, subsequent to the cancellation, termination or nonrenewal of the claims-made policy.

Tail coverage, regardless of whether it involves the payment of a surcharge, must be submitted to Mcare within 120 calendar days of the cancellation, termination, or nonrenewal of the underlying claims-made coverage.

Claims-made coverage with a retro date prior to January 1, 1997 will have a surcharge due to Mcare. The tail surcharge shall be 164% of the tail premium calculated by the primary insurer using their 1996 rates for only that portion of the tail covering claims-made periods prior to the expiration of the 1996 coverage. (See Example 5, on the following page). A surcharge must be paid for tails written for claims-made policies with retro dates and periods of coverage for which a surcharge based on 1996 and prior years’ surcharge rates has been paid even if the carrier offers the primary tail at no charge. For claims-made policies with retro dates for periods for which a surcharge or assessment based on 1997 and subsequent years’ surcharge or assessment rates has been paid to Mcare, there is no surcharge or assessment due for the tail (See Example 6, on the following page).

### Example 5:

Claims-made Policy: 7/1/95 - 7/1/96  
Claims-made Policy: 7/1/96 - 7/1/97  
Claims-made Policy: 7/1/97 - 7/1/98  
Claims-made Policy: 7/1/98 - 7/1/99  
Tail Policy: 7/1/95 - 7/1/99

This Health Care Provider retiring on 7/1/99 would owe a surcharge equivalent to 164% of what he/she would have been charged for tail coverage for the period 7/1/95 -7/1/97.

### Example 6:

Claims-made Policy: 7/1/01 - 7/1/02  
Claims-made Policy: 7/1/02 - 7/1/03  
Tail Policy: 7/1/01 - 7/1/03

This Health Care Provider retiring on 7/1/03 would owe no surcharge for tail coverage.

**NOTE:** FOR PRIMARY INSURERS WHO DID NOT HAVE APPROVED RATES IN PENNSYLVANIA PRIOR TO 1997, TAIL SHOULD BE CALCULATED BY USING THE 1996 RATES OF **PMSLIC** (FOR PHYSICIANS, PODIATRISTS, CERTIFIED NURSE MIDWIVES, PROFESSIONAL CORPORATIONS & BIRTH CENTERS) AND **PHICO** (FOR HOSPITALS, NURSING HOMES & PRIMARY HEALTH CENTERS). The **PMSLIC** and **PHICO** TAIL RATES ARE

Mcare recognizes two types of extended reporting period coverage. Primary insurers must report on Form e-216 a policy type of "ERP" for tail coverage that is an endorsement to the last claims-made policy or "SAT" for tail coverage that is stand-alone tail.

- **“ERP” EXTENDED REPORTING ENDORSEMENT.** Extended reporting endorsements shall be treated as endorsements to the last underlying claims-made policy that was properly reported to Mcare. Mcare’s limits of liability are clearly established pursuant to Act 13 of 2002. A separate aggregate limit for tail endorsements does not exist. Instead, extended reporting endorsements share the aggregate limit of the last properly reported claims-made policy.
- **“SAT” STAND-ALONE TAIL.** Stand-alone tail coverage is written as a completely separate policy. Generally, a primary insurer other than the primary insurer of record for the last claims-made policy will underwrite this type of tail policy.

## **SECTION VII. JUA DEFINITIONS**

The definitions supplied in this Section are in accordance with the Pennsylvania Professional Liability Joint Underwriting Association (“JUA”). When completing the necessary forms and/or worksheets, it is important that you keep the following definitions in mind:

### **1. Beds**

The number of beds equals the daily average number of occupied beds, cribs and bassinets used for patients during the previous policy period. The unit of exposure is each bed, computed by dividing the sum of the daily numbers of beds, cribs and bassinets used for patients for each day of the policy period, by the number of days in such period.

### **2. Convalescent Facilities**

Convalescent Facilities are free-standing facilities which provide skilled nursing care and treatment for patients requiring continuous health care but do not provide any hospital services (such as surgery) and 50% or more of their patients are under 65.

### **3. Extended Care**

All beds located within a hospital, licensed by the state and utilized for patients requiring either skilled nursing care or the supervision of skilled nursing care on a continuous and extended basis.

### **4. Health Institutions**

Health Institutions are facilities that provide non-surgical medical treatment other than as described under Mental Health/Mental Rehabilitation.

### **5. Home Health Care**

Home Health Care Services are organizations which provide nursing, physical therapy, housekeeping and related services to patients at their residences.

**6. Hospital**

Hospitals are facilities treating all general or special medical and surgical cases, including sanitariums with surgical operating room facilities.

**7. Mental Health/Mental Rehabilitation**

Mental Health and Mental Rehabilitation are facilities that provide non-surgical medical intervention for:

- a. Short term crisis stabilization for mental health and substance abuse; and
- b. Long-term mental health rehabilitation.

This includes facilities that assist individuals to develop or improve task and role-related skills, and social and environmental supports needed to perform as successfully and independently as possible at home, family, school, work, socialization, recreations and other community living roles and environments.

**8. Outpatient Surgical**

Outpatient Surgical Facilities are facilities that provide surgical procedures on an outpatient (same day) basis. Beds are used primarily for recovery purposes, and overnight stays, if any, are the exception.

**9. Primary Health Center**

Primary Health Center means a community-based, non-profit corporation meeting standards prescribed by the Department of Health which provides preventive, diagnostic, therapeutic, and basic emergency health care by licensed practitioners who are employees of the corporation or under contract to the corporation.

**10. Skilled Nursing Facilities**

Skilled Nursing Facilities are freestanding facilities which provide the same service as a Convalescent Facility, except that 50% or more of their patients are over 65.

**11. Visits**

The number of visits equals the total number of visits to the institution (regardless of the number of visits to particular departments within such institution) by outpatients (patients not receiving bed and board services), during the previous policy period. The unit of exposure is each 100 visits.
