PA Health Access

Counties Served: Statewide assistance available

PA Health Access is a statewide coalition of more than 60 organizations representing the faith, legal services, public health, immigrant and disability rights communities. PHAN works to protect high quality health insurance coverage for individuals and businesses and to expand coverage to the uninsured. Since 2007, PHAN has brought consumer voices into discussions of health equity, reaching vulnerable populations in rural and underserved communities. PHAN employs Navigators and Certified Application Counselors across the state who can help individuals and families apply for health insurance affordability programs like the Marketplace (healthcare.gov), Medicaid, Healthy PA and CHIP.
