COMMONWEALTH COURT  
OF PENNSYLVANIA

Petitioner, Joel S. Ario, Acting Insurance Commissioner of the Commonwealth of Pennsylvania, in his official capacity as the Statutory Liquidator ("Liquidator") of Villanova Insurance Company ("Villanova"), in compliance with this Court's Order of January 11, 2006 ("Claims Order") and pursuant to 40 P.S. § 221.45, respectfully petitions this Court for an order approving his Report and Recommendations on Villanova Insurance Company Claims Undisputed and Resolved from May 1, 2007 to October 31, 2007 ("Report"). In support of the Petition, the Liquidator avers the following:

## BACKGROUND

1. Plaintiff<sup>1</sup> Insurance Commissioner of the Commonwealth of Pennsylvania, was appointed Liquidator of Villanova pursuant to this Court's Order dated July 25, 2003 ("Liquidation Order").

2. The Liquidation Order provided that "in addition to the notice requirements of Section 524 of Article V, 40 P.S. §221.34, the Liquidator shall publish notice in newspapers of general circulation, where Villanova has its principal place of business, and in the national edition of the *Wall Street Journal*, that: (a) specifies the last day for the filing of claims; (b) explains the procedure by which claims may be submitted to the Liquidator; (c) provides the address of the Liquidator's office for the submission of claims; and (d) notifies the public of the right to present a claim, or claims, to the Liquidator." See Liquidation Order, ¶18. By the end of the third quarter of 2003, the Liquidator provided Proof of Claim ("POC") forms and instructions to policyholders and creditors of Villanova as identified by the books and records of Villanova. Additionally, since the fourth quarter of 2004, the POC forms and instructions have been available on the Villanova Documents website at [www.legioninsurance.com](http://www.legioninsurance.com).

3. This Court entered its Claims Order in January of 2006 establishing a comprehensive claims procedure in furtherance of the relevant provisions of the Insurance

Department Act of 1921, 40 P.S. §§ 221.1 – 221.63 (the “Act”). The Claims Order requires that the Liquidator present to the Court a report of the Liquidator’s recommendations with respect to each Proof of Claim. The Report shall include the following: the Claimant’s name, address, class, and the particulars of the claim, including whether the value of the claim was determined without objection (hereinafter referred to as “Undisputed Claims”) or after settlement of an objection (hereinafter referred to as “Resolved Claims”). Additionally, the Report shall include the amount of the claim finally recommended. See Claims Order, ¶ 3; See also 40 P.S. § 221.45(a).

4. The Claims Order further provides that “[U]pon approval of the Liquidator’s recommendations in the Report, the Claimant becomes eligible to receive a *pro rata* distribution of assets from the estate of Villanova Insurance Company (In Liquidation) in the event that a distribution is made to Claimant’s class of creditors.” See Claims Order ¶ 5.

**REPORT AND RECOMMENDATIONS ON CLAIMS  
UNDISPUTED AND RESOLVED AS OF APRIL 30, 2007**

5. The Liquidator’s Report and Recommendations on Villanova Insurance Company Claims Undisputed and Resolved from May 1, 2007 to October 31, 2007<sup>2</sup> is comprised of two parts and attached hereto as Exhibits A and B (collectively referred to as “Report”). The claims are sorted alphabetically, within each class, by the Claimant’s last

<sup>2</sup> The Liquidator has filed two previous Reports and Recommendations on Villanova Insurance Company Claims Undisputed and Resolved with the latest one being approved by Court order dated September 26, 2007.

name or company name. The amount claimed by the Claimant, inter alia, is also included in the Report.<sup>3</sup>

6. A small number of the undisputed NODs listed in Exhibit A may actually be amended NODs issued to correct the class or allowed amount of a claim previously recommended by the Liquidator and approved by this Court. For example, if new information later comes to the attention of the claims evaluator which would alter the allowed amount of priority, an amended NOD is issued. The claimant then has an opportunity to object to the amended NOD. 40 P.S. §221.45(b) of the Act authorizes the Liquidator to recommend and this Court to consider modifications of and to claims previously approved by the Court.

7. The first part of the Report, which addresses claims that were “determined without objection”, reflects Notices Of Determinations (“NODs”) issued by the Liquidator for which the objection period expired on or before October 31, 2007. The total number of Undisputed Claims is 1160 with an allowed amount of \$2,252,405.31. The list of Undisputed Claims filed against the assets of the Villanova estate is attached hereto as Exhibit A.

8. The second part of the Report, which addresses claims that were “determined after settlement of an objection” is a list of the disputed claims to which objections were filed and resolved on or before October 31, 2007. The total number of Resolved Claims is 24 with an allowed amount of \$3,434.00. The list of Resolved Claims is attached hereto as Exhibit B.

---

<sup>3</sup> If the claimant did not indicate a specific claim amount on the Proof of Claim, the claimed amount is noted as \$0.<sup>3</sup> For purposes of this Report, the Class A claims are costs incurred and paid as administrative expenses; therefore, the NOD reflects a value of \$0. In addition, the majority of Class B claims are claims that are the responsibilities of guaranty associations. Therefore, the NOD reflects a value of \$0.

9. Upon resolution of the disputed claims listed in Exhibit B, the Liquidator issued an Amended NOD for these claims reflecting the resolution of the dispute and an agreement that no objection would be filed to the Amended NOD, or in some cases, the claimant withdrew their objection.

10. As set forth in Exhibits A and B, the Liquidator respectfully submits his recommendations for a total of 1,184 claims with a total allowed amount of \$2,255,839.31<sup>4</sup> in accordance with ¶ 3 of the Claims Order and 40 P.S. § 221.45 for this Court's approval.

11. NODs have been issued in both the undisputed and resolved categories referencing allowed amounts subject to a policy aggregate limit. In these cases, the NOD states that the allowed amount of the claim is subject to 40 P.S. §221.40(d) which requires that if "...the aggregate allowed amount of the claims to which the same limit of liability in the policy is applicable exceeds that limit, then each claim as allowed shall be reduced a proportionate amount so that the total equals the policy limit." The NODs recommended in this report are submitted subject to 40 P.S. §221.40(d).

12. In fulfilling his statutory requirements, the Liquidator carefully reviewed all documentation submitted by the claimants in support of the claims and independently determined the merit, classification and value of each claim, as required by the Act. See 40 P.S. §§ 221.37, 221.38, 221.44, 221.45.

---

<sup>4</sup> For purposes of this Report, the Class A claims are costs incurred and paid as administrative expenses; therefore, the NOD reflects a value of \$0. In addition, the majority of Class B claims are claims that are the responsibilities of guaranty associations. Therefore, the NOD reflects a value of \$0.

13. Given the discretion afforded the Liquidator pursuant to 40 P.S. § 221.45(a) to “comport, compromise, or in any other manner negotiate the amount for which claims will be recommended to the court”, the Liquidator believes that the classification and amounts he has determined for the reported claims are appropriate, fair and equitable and consistent with the relevant provisions of the Act and this Court’s Claims Order. The Liquidator further believes that the approval of the claims listed in the attached Report is in the best interests of the Villanova estate, policyholders, claimants and other creditors.

14. Pursuant to 40 P.S. § 221.45(b) and relevant provisions of the Claims Order, the Liquidator respectfully requests that this Court approve the classification and allowed amount of the claims listed in the Report. In accordance with ¶5 of the Claims Order, upon approval of the claims listed in the Report the Claimants or their lawful assignees will become eligible to receive a *pro rata* distribution of assets from the estate of Villanova in the event that a distribution is made to Claimant’s class of creditors.

WHEREFORE, the Liquidator respectfully requests that this Court grant his Petition and approve and allow the claims as listed in the Report attached as Exhibits A and B, enter an Order in the form attached hereto, and grant such other relief as the Court shall determine appropriate and just.

Respectfully submitted:

You received a bill for the policy period 9-20-01 to 3-20-01 for 80.00 or your policy would be cancelled. You paid the balance of 80.00 on 3-11-02. Your renewal policy was issued at the same time which was effective 3-20-02 to 9-20-02 and then cancelled 4-29-02. The premium for this term was 383.00 plus a non refundable policy fee of \$30.00 which you paid in full 2-23-02. Your unearned premium portion was the refund you received of \$274.74. I have closed the objection as being resolved. No value has been allowed for your claim because our company was notified that CIGA issued a check to you for your claim under policy PA12025473. We have no record of any additional amount owed to you.
