II. SPECIFIC QUALIFICATIONS AND ADMISSION REQUIREMENTS

The following requirements must be satisfied by those companies seeking to form a Hospital Plan Corporation:

A) All Hospital Plan Corporations must be non-profit corporations domiciled in Pennsylvania. Before filing with the Department of State, it is necessary to obtain a letter from the Pennsylvania Insurance Department certifying that there is no objection to the use of the proposed name of the corporation (15 Pa. C.S. §202(c)(1)(iii)). To do so, please forward letter to the Company Licensing Division stating the proposed corporate name and nature of the business of the corporation.

B) Although the BCL allows for incorporation as an insurance company without prior Insurance Department approval, you may not transact insurance business in the Commonwealth of Pennsylvania without first obtaining a Certificate of Authority from this Department.

C) Hospital Plan Corporations are governed under Chapter 61 of Title 40 Pennsylvania Consolidated Statutes. A copy of this Chapter is enclosed for your reference. The following documentation is required for our review:

1. A letter formally requesting the issuance of a Certificate of Authority.
2. A copy of the Articles of Incorporation, signed and stamped by the Department of State Corporation Bureau.
3. A copy of the By-Laws of the corporation.
4. A list of the officers and directors of the corporation.
5. A description of the proposed benefit package, including proposed subscription agreements, subscriber contracts, etc.
6. The proposed rates including a detailed methodology for the derivation of such rates.
7. A description of the reimbursement system (e.g., how the usual, reasonable and customary fee programs will be established and updated). Please provide a copy of the proposed fee schedules.

9. A proposal for operation of utilization review and quality assurance systems.
10. Proof of the corporation's ability to meet the statutory surplus requirement of \$25,000.
11. Biographical affidavits for each officer, director and key employee.

12. A business character report, such as those provided by DAC, Equifax, Owens Online or Proudfoot, for all officers and directors. These reports shall verify employment, education and military service for the past ten (10) years. Litigation, criminal, UCC and bankruptcy records should be searched for seven (7) years. At least one business character reference must be obtained for each individual. These references must be provided by a business contact, such as an attorney, partner or other business associate familiar with the business dealings of the individual. Supervisors or coworkers are not acceptable references.

13. A Business Plan conforming to DOI-136, a copy of which is attached.

14. A check for \$2,500, made payable to the "Commonwealth of Pennsylvania", representing the non-refundable filing fee.

15. A detailed representation that the applicant has the necessary administrative, underwriting and financial expertise to manage a hospital plan corporation.

ADDITIONAL INFORMATION

The Department will publish a public notice that an application for a Certificate of Authority was filed with the Department. Based on responses to the public notice, a hearing may be held if warranted.

After reviewing the application for compliance, an on-site examination of the applicant will be conducted by the Bureau of Examinations. Details of this examination are included in Documents Required for the Organizational Examination of Entities Supervised by the Pennsylvania Insurance Department (copies attached).

After the organizational examination is accepted by the applicant, a Certificate of Authority will be issued in the name of the hospital plan corporation. However, the entity may not become operational until all other legal requirements are addressed, including, but not limited to rate and policy form approval, licensing of agents, etc.

Should you have any questions concerning statutory requirements or filing procedures, please contact the Company Licensing Division at (717) 787-2735.

Please be advised that the Department utilizes a fifteen-to-one premium to surplus ratio guideline to determine the adequacy of working capital. In addition, initial losses must be funded up front. For example, an entity projecting \$30 million in third year premiums and showing a first year net loss of \$1.5 million and second year net profit of \$500,000 would require net worth of \$3 million in initial net worth. PUBLIC AVAILABILITY OF FILED DOCUMENTS

This notice advises the insurance industry and other filers of the Department's practices regarding the availability of filed documents. In some instances, a public filing may include or reference materials which are entitled to confidential treatment under statute, regulation, case law, administrative or court order, or other such authority. For example, the Department declines to release personal information, such as Social Security numbers or home addresses of persons submitting Biographical Affidavits. In addition, documents may be nonpublic because they contain proprietary or privileged information or trade secrets. For example, the Department historically has not released business plans or financial projections, which include analyses and underlying assumptions.

If a filer wishes to assert the confidentiality of documents, reports or other materials which are included or referenced within a "filing", the filer should alert the Department to this issue at the time of submission as following:

- Submit the confidential material physically separate from the remainder of the filing, submit a redacted version of the materials, or highlight the location of the confidential information in the filing.
- Identify the basis upon which the assertion of confidentiality, privilege or trade secret is premised.
- Identify the person to whom inquiries regarding the issue of confidential treatment should be directed.

Questions on the issues of submission deadlines or public access to filed documents may be addressed to the analyst handling the filing or to: Company Licensing Division, Insurance Department, 1345 Strawberry Square, Harrisburg, Pennsylvania 17120.
