RE: Certified Reinsurer Passporting 2021 Renewal Application for Swiss Reinsurance Company, Ltd.

Dear Mr. Predmore:

The Pennsylvania Insurance Department (“Department”) has completed its review of the application referenced above, filed pursuant to 31 Pa. Code § 161.3a, and dated October 22, 2020. Swiss Reinsurance Company, Ltd. (“Swiss Re”) is domiciled and licensed in Switzerland. Our review of the submission has resulted in the following determination:

- Pursuant to 31 Pa. Code §161.3a(c), if an applicant for certification has been certified as a reinsurer in an NAIC accredited jurisdiction, the Commissioner has the discretion to defer to that jurisdiction's certification and has the discretion to defer to the rating assigned by that jurisdiction.
- Missouri is an accredited jurisdiction and serves as the lead U.S. insurance regulator of Swiss Re. The Missouri Department of Insurance has approved Swiss Re as a certified reinsurer eligible for collateral reduction effective January 1, 2021 through December 31, 2021, with a rating as a Secure-2 (10%) reinsurer.
- Notice of receipt of the filing was published in the *Pennsylvania Bulletin* with a 30-day comment period. No public comments were received during the comment period.
- The Department hereby designates Swiss Re as a certified reinsurer eligible for collateral reduction effective January 1, 2021 through December 31, 2021, with a rating as a Secure-2 (10%) reinsurer.

- Swiss Re's designation as a certified reinsurer and its ratings are conditional upon Swiss Re being domiciled and licensed in a qualified jurisdiction pursuant to 31 Pa. Code §161.3a(a)(1). Swiss Re is domiciled and licensed in Switzerland and Switzerland is a qualified jurisdiction.
- Swiss Re's status for collateral reduction is contingent upon Swiss Re maintaining full compliance with all of the provisions contained 31 Pa. Code §161.3a, including but not limited to, submitting the annual renewal application for rating. The annual renewal application for passporting to Pennsylvania should not be submitted until the lead U.S. regulator has issued its approval of the renewal as a certified reinsurer and ReFAWG has reviewed and concurred.
