Why cant Highmark & W.P. Allegheny
combine? Is WPMC the only group
you know?

Im 87 - needing medical &
hospital care. If you continue
giving WPMC their choice, I and
many others will be without care.

I resent WPMC's hogging and
cutting. They are more expensive
my one time at Mercy was disgusting.
Poor nursing - Discoming in for
consultation (not asked) and send home
with my left eye still swollen (I
have no right eye) and the bill
was outrageous.

Let the people of the
Pittsburgh area at least
have a choice.

Of course Im being ^{insane}!
Thank you

for your kindness

The W.P. Allegheny is necessary
to compete with grebber WPMC
