Dear Mr. Brackbill,
I would like to express my support of the affiliation between Highmark and West Penn Allegheny Health System. The new model of health care delivery is certain to have a positive impact on the health care industry. Physicians and patients have historically preferred The Western Pennsylvania Hospital over all other systems and facilities.

This is attributed to a never wavering record of exemplary care.
I am looking forward to being part of re-establishing our reputation for excellence.

Sincerely
Sherie Scarnati
Nurse Practitioner
