Dear Mr. Brackbill,  
I would like to express my support of the affiliation between Highmark and West Penn Allegheny Health System. The new model of health care delivery is certain to have a positive impact on the health care industry. Physicans and patients have historically preferred The Western Pennsylvania Hospital over all other systems and facilities.  
This is attributed to a never wavering record of exemplary care.  
I am looking forward to being part of re-establishing our reputation for excellence.  
Sincerely  
Sherie Scarnati  
Nurse Practitioner
