Dear Sir:

I do not believe Highmark should require
West Penn Allegheny Health System

I am 86 years of age and have had
Highmark as my insurer for many years under
the Federal Employee Insurance plan.

I have used UPMC all my life for
health problems.

I do not know much about different
insurance plans and would not like
changing mine at my age.

Please do what you can to keep
Highmark from requiring the West Penn

05

0466

Health System.

For the remainder of my life I would
prefer keeping my regular Doctor.

This has been quite a worry for me.

Thanking you.
