Re: Section 2502(a)(2) of Act 62 of 2008 Reporting

Dear Commissioner Johnson:

As you referenced in your recent e-mail, Section 2502(a)(2) of Act 62 of 2008 contains new reporting requirements for hospital plan corporations and professional health service plan corporations ("Plans"). This letter and attached chart will serve to bring Capital BlueCross and its subsidiaries into full compliance with this new reporting requirement for 2009.

Specifically, Plans must, by January 31 of each year, provide to the Insurance Department, the Senate Banking and Insurance Committee and the House Insurance Committee the name and business address of each officer, director or employee who serves on the board of directors of a hospital or other health care facility as defined in the Health Care Facilities Act (35 P.S. § 448.801 et seq.), or on the board of an entity that owns, operates or manages a hospital or health care facility. The new Section 2502(a)(2) disclosure also applies to all subsidiaries and affiliates of Plans.

The information provided in the attached table reflects positions held during the 2008 calendar year. It was developed using information provided under a pre-existing, mandatory employee and board member internal reporting process.

As always, should you have any questions, please do not hesitate to contact me at (717)-541-6134. Thanks for helping us comply with this new reporting requirement.

Sincerely,

Aji M. Abraham
Vice President
