**DECISION AND ORDER**

AND NOW, on this 28th day of June, 2022, Michael Humphreys, Acting Insurance Commissioner of the Commonwealth of Pennsylvania (“Commissioner”), hereby makes the following Decision and Order:

Pursuant to the Insurance Holding Companies Act and in consideration of the documents, presentations and reports received, as well as other inquiries and studies as permitted by law, the Commissioner hereby makes the following findings of fact:

**FINDINGS OF FACT**

**Identity of Parties**

Identity of PA Domestic Insurer

1. American Sentinel Insurance Company (“ASIC”) is a domestic stock casualty insurance company organized pursuant to the laws of Pennsylvania with its principal place of business in Harrisburg, Pennsylvania.
2. Aegis Security Insurance Company (“Aegis”) is a domestic stock property insurance company organized pursuant to the laws of Pennsylvania with its principal place of business in Harrisburg, Pennsylvania. Aegis currently directly holds 100% of the issued and outstanding stock of ASIC.

### Identity of Applicant

3. iptiQ Americas, Inc. (“iptiQ”) is a business corporation organized pursuant to the laws of Delaware with its principal place of business in Armonk, New York.
4. Swiss Re Ltd (“SRL”) is a business corporation that is publicly traded and was organized pursuant to the laws of Switzerland with its principal place of business in Zurich, Switzerland. SRL currently indirectly holds 100% of the issued and outstanding stock of iptiQ.
5. No entity controls SRL.
6. SRL is the sole ultimate controlling person of iptiQ.

### **Acquisition Filing**

7. The Insurance Holding Companies Act, Article XIV of the Insurance Company Law of 1921, Act of May 17, 1922, P.L. 682, as amended, 40 P.S. §§991.1401 et seq. (“Insurance Holding Companies Act”), provides that all changes in control of domestic insurers must be filed with the Commissioner for approval or disapproval.
8. On April 11, 2022, the Insurance Department of the Commonwealth of Pennsylvania (“Department”) received an application (which together with all material received subsequently is hereinafter referenced as “Application”) from iptiQ for approval to acquire control of ASIC.
9. The Application was filed pursuant to Section 1402 of the Insurance Holding Companies Act.

### **Department Procedures**

10. On April 16, 2022, the Department published notice in the *Pennsylvania Bulletin* that the Application was submitted by iptiQ and such notice invited interested persons to submit comments to the Department regarding the Application for thirty (30) days following the date of the publication (“Comment Period”).
11. The Department received no comments regarding the Application during the Comment Period.

### **Description of the Proposed Acquisition**

12. As described in the Application, on March 2, 2022, Aegis and iptiQ entered into a Stock Purchase Agreement (“the Agreement”).

13. As described in the Application and pursuant to the Agreement, iptiQ intends to purchase 100% of the issued and outstanding stock of ASIC from Aegis (“the Acquisition”).
14. As described in the Application, the source of funds would be from cash on hand.
15. As described in the Application and subsequent to the Acquisition, iptiQ would directly hold 100% of the issued and outstanding stock of ASIC.
16. As described in the Application, SRL would become the sole ultimate controlling person of ASIC as a result of the Acquisition.

#### **Standards for Review**

17. Section 1402(f)(1) of the Insurance Holding Companies Act establishes the standards for approval of an application for a change in control of a domestic insurer.
18. An application for a change in control must be approved unless the Department finds any one of certain enumerated conditions to be present.

#### **Licensing Requirements**

19. When analyzing an application for change in control under Section 1402 of the Insurance Holding Companies Act, the Commissioner reviews the requirements for continued licensure of the domestic insurer being acquired.
20. Specifically, the Department reviews whether the domestic insurer would be able to satisfy the requirements for the issuance of a license to write the line or lines of insurance for which it is presently licensed after the acquisition.
21. The classes of insurance for which an insurance company may be incorporated and become licensed to write are set out in Section 202 of the Insurance Company Law (40 P.S. §382).
22. The minimum paid up capital stock and paid in surplus required of a stock insurer for each class of insurance is set out in Section 206 of the Insurance Company Law (40 P.S. §386).
23. In accordance with Section 206 of the Insurance Company Law (40 P.S. §386), ASIC is required to maintain a minimum paid up capital stock of \$2,250,000 and a minimum paid in surplus of \$1,125,000 to write the lines of insurance for which it is presently licensed.

24. Upon completion of the Acquisition, ASIC will have the statutory minimum paid up capital stock and paid in surplus to satisfy the requirements to write the lines of insurance for which it is presently licensed.

#### Competitive Impact

25. The acquisition of control of a Pennsylvania domiciled insurer is subject to review and analysis under Section 1402(f)(1)(ii) of the Insurance Holding Companies Act to determine whether the effect of the acquisition of control would be to substantially lessen competition in this Commonwealth or tend to create a monopoly therein, as per 40 P.S. §991.1402(f)(1)(ii) (the “competitive standard”).
26. The acquisition of control of ASIC will not lessen competition or tend to create a monopoly in the Commonwealth because the market shares of iptiQ and its insurance company affiliates licensed to transact the business of insurance in Pennsylvania and the market share of ASIC, as stated in the Application, do not exceed the market share levels established in Section 1403 of the Insurance Holding Companies Act.

#### Financial Condition of Applicant

27. When analyzing an application for an acquisition of control under Section 1402 of the Insurance Holding Companies Act, the Department reviews the financial condition of the acquiring person(s).
28. The Department has reviewed the financial information submitted by SRL.
29. The financial condition of SRL would not pose any impediments to the change in control nor jeopardize the financial condition of ASIC.

#### Plans for the Acquired Insurer

30. When analyzing an application for an acquisition of control under Section 1402 of the Insurance Holding Companies Act, the Department reviews the plans or proposals which the acquiring party has for the insurer.
31. In particular, the Department reviewed the plans or proposals which the acquiring party has to liquidate the insurer, sell its assets or consolidate or merge it with any person, or to make any other material change in its business or corporate structure or management, to determine whether it is:
  - a. Unfair or unreasonable;
  - b. Fails to confer a benefit upon policyholders; or

c. Not in the public interest.

32. As stated in the Application, iptiQ has no future plans or proposals to declare any extraordinary dividend, to liquidate Indemnity, to sell its assets, to merge or consolidate it with any person or persons or to change its corporate structure.
33. As stated in the Application, the board of directors and executive officers of ASIC will be replaced with the current board of directors and executive officers of iptiQ.
34. As stated in the Application, upon completion of the Acquisition, iptiQ intends to redomesticate ASIC from Pennsylvania to Missouri.
35. There is no basis in the record from which it may be concluded that the plans or proposals which the acquiring party has for the insurer are unfair or unreasonable or fails to confer a benefit upon policyholders or are not in the public interest.

#### Management

36. When analyzing an application for an acquisition of control under Section 1402 of the Insurance Holding Companies Act, the Department reviews the competence, experience and integrity of the persons who will control the operations of the acquired insurer.
37. Biographical affidavits for all of the officers and directors of iptiQ were reviewed by the Department.
38. The Department is satisfied that the persons who would control the operations of ASIC have such competence, experience and integrity that the interests of policyholders and the public would not be jeopardized.

#### Hazardous or Prejudicial to Insurance Buying Public

39. When analyzing an application for an acquisition of control involving a domestic insurer under Section 1402 of the Insurance Holding Companies Act, the Department evaluates whether the merger, consolidation or other acquisition of control is likely to be hazardous or prejudicial to the insurance buying public.
40. There is insufficient evidence in the record from which it may be concluded that the Acquisition will likely be hazardous or prejudicial to the insurance buying public.

#### Compliance with the Pennsylvania Laws

41. When analyzing an application for an acquisition of control involving a domestic insurer under Section 1402 of the Insurance Holding Companies Act, the Department reviews the transaction to determine whether the merger, consolidation or other

acquisition of control is not in compliance with the laws of this Commonwealth, including Article VIII-A.

42. The Department has evaluated the transaction as set forth by the Application as to whether it is in compliance with the laws of Pennsylvania.
43. If any of the above Findings of Fact are determined to be Conclusions of Law, they shall be incorporated in the Conclusions of Law as if fully set forth therein.

### **CONCLUSIONS OF LAW**

1. Under Section 1402 of the Insurance Holding Companies Act, the Department has jurisdiction to review and approve the change in control of Preferred.
2. Under Section 1402 of the Insurance Holding Companies Act, the Department must approve an application for a change in control unless the Department has found that:
  - a) The insurer will not be able to satisfy the requirements for the issuance of a license to operate the line or lines of business for which they are presently licensed;
  - b) The change in control will substantially lessen competition in insurance in this Commonwealth or tend to create a monopoly therein;
  - c) The financial condition of the acquiring company is such as might jeopardize the financial stability of the insurer or prejudice the interests of its policyholders;
  - d) Any plans to liquidate the insurer, sell its assets or consolidate or merge it with any person, or to make material changes in its business or corporate structure or management are unfair and unreasonable to policyholders of the insurers and not in the public interest;
  - e) The competence, experience and integrity of those persons who would control the operation of the insurer are such that it would not be in the interest of policyholders and the general public to permit the acquisition of control;
  - f) The acquisition is likely to be hazardous or prejudicial to the insurance buying public; or,
  - g) The acquisition of control is not in compliance with the laws of this Commonwealth, including Article VIII-A, Insurance Company Mutual-to-Stock Conversion Act.

3. Under Section 1402 of the Insurance Holding Companies Act, the Commissioner has not found that any of the above conditions are present with respect to the change in control of ASIC.
4. If any of the above Conclusions of Law are determined to be Findings of Fact, they shall be incorporated in the Findings of Fact as if fully set forth therein.
