Pursuant to the Insurance Company Law and the Insurance Holding Company Act and in consideration of the documents, presentations and reports received, as well as other inquiries and studies as permitted by law, the Commissioner hereby makes the following findings of fact:

FINDINGS OF FACT

Identity of Parties

5. HCC Insurance Holdings, Inc. (“HCC”) is an insurance holding company organized under the laws of Delaware with its principal place of business located in Houston, Texas.
6. HCC is a publicly held company whose shares are traded on the New York Stock Exchange.
7. The only entity that holds 10% or more of the voting stock of HCC has properly filed a disclaimer of control.

Acquisition Filing

8. The Insurance Holding Companies Act, Article XIV of the Insurance Company Law of 1921, Act of May 17, 1992, P.L. 682, as amended, 40 P.S. §§991.1401 et seq. (“Insurance Holding Companies Act”), provides that any transaction involving the control of a domestic insurer must be filed with the Commissioner for approval or disapproval.
9. On May 19, 2003, the Insurance Department of the Commonwealth of Pennsylvania (“Department”) received an initial application (which together with all material received subsequently is collectively referenced as “Application”) from HCC for approval to acquire control of the Domestic Insurers.
10. The Application was filed pursuant to Section 1402 of the Insurance Holding Companies Act.

Department Procedures

11. On June 7, 2003, the Department published notice in the *Pennsylvania Bulletin* that the Application was submitted by HCC and such notice invited interested persons to submit comments to the Department regarding the Application for a thirty (30) day period, ending July 7, 2003.

Description of the Proposed Acquisition

13. As described in the Application, on March 12, 2003, Argonaut and HCC signed a Subscription Agreement (“Agreement”) whereby HCC would acquire mandatory convertible preferred stock of Argonaut (the “Series A Preferred Stock”).
14. As described in the Application and pursuant to the Agreement, HCC has acquired 2,564,164 shares of the Series A Preferred Stock. This acquisition resulted in HCC controlling approximately 9.9% of the issued and outstanding voting stock of Argonaut on a fully diluted basis.
15. As described in the Application and pursuant to the Agreement, upon receipt of regulatory approval, HCC may acquire additional Series A Preferred Stock sufficient to result in HCC holding a total of approximately 30% of the issued and outstanding voting stock of Argonaut on a fully diluted basis.
16. As described in the Application, HCC would fund the total purchase price, \$49,900,000, from its existing corporate resources and no part of the purchase price will be obtained from borrowed funds.
17. As described in the Application, the Domestic Insurers would not be required to issue extraordinary dividends for debt service as a result of the proposed acquisition.
18. HCC would become the sole ultimate controlling person of the Domestic Insurers upon consummation of the instant transaction.

Standards for Review

19. Section 1402(f)(1) of the Insurance Holding Companies Act establishes the standards for approval of an application for a change in control of a domestic insurer.
20. The application for a change in control must be approved unless the Commissioner finds any one of certain enumerated conditions to be present.

Licensing Requirements

21. When analyzing an application for change in control under Section 1402 of the Insurance Holding Companies Act, the Commissioner reviews the requirements for continued licensure of the domestic insurer being acquired.
22. The classes of insurance for which an insurance company may be incorporated and become licensed to write are set out in Section 202 of the Insurance Company Law (40 P.S. §382).

23. The minimum paid up capital stock and paid in surplus required of a stock insurer for each class of insurance is set out in Section 206 of the Insurance Company Law (40 P.S. §386).
24. In accordance with Section 206 of the Insurance Company Law (40 P.S. §386), Rockwood Casualty is required to maintain a minimum paid up capital stock of \$2,000,000 to write the classes of insurance for which it is presently licensed.
25. In accordance with Section 206 of the Insurance Company Law (40 P.S. §386), Rockwood Casualty is required to maintain a minimum paid in surplus of \$1,000,000 to write the classes of insurance for which it is presently licensed.
26. Upon completion of the transaction, Rockwood Casualty will have paid up capital in an amount that will satisfy the statutory minimum required of a casualty insurance company licensed to write the classes of authority currently held by Rockwood Casualty.
27. Upon completion of the transaction, Rockwood Casualty will have paid in surplus in an amount that will satisfy the statutory minimum required of a casualty insurance company licensed to write the classes of authority currently held by Rockwood Casualty.
28. In accordance with Section 206 of the Insurance Company Law (40 P.S. §386), Somerset Casualty is required to maintain a minimum paid up capital stock of \$2,000,000 to write the classes of insurance for which it is presently licensed.
29. In accordance with Section 206 of the Insurance Company Law (40 P.S. §386), Somerset Casualty is required to maintain a minimum paid in surplus of \$1,000,000 to write the classes of insurance for which it is presently licensed.

31. Upon completion of the transaction, Somerset Casualty will have paid in surplus in an amount that will satisfy the statutory minimum required of a casualty insurance company licensed to write the classes of authority currently held by Somerset Casualty.

Competitive Impact

32. The acquisition of control of the Domestic Insurers is subject to review and analysis under Section 1403 of the Insurance Holding Companies Act to determine whether the effect of the acquisition of control would be to substantially lessen competition or tend to create a monopoly in the Commonwealth.
33. The acquisition of control of the Domestic Insurers will not lessen competition or tend to create a monopoly in the Commonwealth because the market share of HCC, as stated in the Application, does not exceed the market share levels established in Section 1403.

Financial Condition of HCC

34. When analyzing an application for an acquisition of control under Section 1402 of the Insurance Holding Companies Act, the Department reviews the financial condition of the acquiring persons.

35. HCC reported December 31, 2002, audited GAAP account balances of:

Assets:	\$ 1,126,000,000
Liabilities:	\$ 243,000,000
Shareholder's Equity:	\$ 883,000,000

36. The financial condition of HCC would not pose any impediments to the change in control nor jeopardize the financial condition of the Domestic Insurers.

Plans for the Acquired Insurer

37. When analyzing an application for an acquisition of control under Section 1402 of the Insurance Holding Companies Act, the Department reviews the plans or proposals which the acquiring party has for the insurer.
38. As provided in the Application, HCC has disclosed that it intends to make no significant changes to the business plans of the Domestic Insurers.

Management

39. When analyzing an application for an acquisition of control under Section 1402 of the Insurance Holding Companies Act, the Department reviews the competence, experience and integrity of the persons who will control the operations of the acquired insurers.
40. Biographical affidavits for all directors and executive officers of HCC were provided as part of the Application and the Department reviewed all affidavits

that were submitted.

41. The Department is satisfied that the persons who would control the operations of the Domestic Insurers have such competence, experience and integrity that the interests of policyholders and the public would not be jeopardized.
42. If any of the above Findings of Fact are determined to be Conclusions of Law, they shall be incorporated in the Conclusions of Law as if fully set forth therein.

CONCLUSIONS OF LAW

1. Under Section 1402 of the Insurance Holding Companies Act, the Commissioner has jurisdiction to review and approve the change in control of the Domestic Insurers.
2. Under Section 1402 of the Insurance Holding Companies Act, the Commissioner must approve an application for a change in control unless the Department has found that:
 - a) The insurer will not be able to satisfy the requirements for the issuance of a license to operate the line or lines of business for which it is presently licensed;
 - b) The change in control will substantially lessen competition in insurance in this Commonwealth or tend to create a monopoly therein;
 - c) The financial condition of the acquiring company is such as might jeopardize the financial stability of the insurer or prejudice the interests of its policyholders;
 - d) Any plans to liquidate the insurer, sell its assets or consolidate or merge it with any person, or to make material changes in its business or corporate structure or management are unfair and unreasonable to policyholders of the insurers and not in the public interest;
 - e) The competence, experience and integrity of those persons who would control the operation of the insurer are such that it would not be in the interest of policyholders and the general public to permit the acquisition of control;
 - f) The acquisition is likely to be hazardous or prejudicial to the insurance buying public; or,

- g) The acquisition of control is not in compliance with the laws of this Commonwealth, including Article VIII-A, Insurance Company Mutual-to-Stock Conversion Act.
- 3. Under Section 1402 of the Insurance Holding Companies Act, the Commissioner has not found that any of the above conditions are present with respect to the change in control of the Domestic Insurers.
- 4. If any of the above Conclusions of Law are determined to be Findings of Fact, they shall be incorporated in the Findings of Fact as if fully set forth therein.
