Explanation of requested rate change

Oscar Health Plan of Pennsylvania, Inc. is requesting a rate change of 10.4% due to:

- Trends in medical and prescription drug cost and utilization
- Changes in taxes, fees, administrative expenses, and profit
- Changes in the benefits and cost-sharing offered
- Changes in the factors used to model plan behavior changes
- Increases in the average morbidity of the Pennsylvania individual market single risk pool due to the discontinuation of ARPA extended subsidies
- Changes in Oscar's anticipated reimbursement to health care providers
- Impact of COVID-19 on projected health care services in 2023

¹ Note that insurers will have the opportunity to revise their rate change request in July, after they are scheduled to receive updated information about the impact of a federal program called risk adjustment. This document will be updated accordingly at that time.
