| Profit: | 3.00% | |

The company expects its annual medical costs to increase by approximately 7.2% for 2019.

Explanation of requested rate change

Additional premium is needed to account for the higher cost and utilization of medical services each year. The requested rate change listed above also accounts for uncertainty in the market in 2019 due to the repeal of the Individual Mandate as well as the larger estimated Risk Adjustment payable relative to the prior rate filing for this company.
