Additional premium is needed to account for the higher cost and utilization of medical services each year. The proposed rate change also accounts for an increase in anticipated Risk Adjustment payable relative to the prior year and projected increases in taxes and fees for 2020.

<sup>1</sup> Note that insurers will have the opportunity to revise their rate change request in July, after they are scheduled to receive updated information about the impact of a federal program called risk adjustment. This document will be updated accordingly at that time.
