### Explanation of requested rate change

The proposed average rate change is being driven by changes in the base claims experience, trend, retention, the anticipated impact of Covid-19, and the implementation of the Pennsylvania Health Insurance Individual market Stabilization Reinsurance Program ("Reinsurance Program").

<sup>1</sup> Note that insurers will have the opportunity to revise their rate change request in July, after they are scheduled to receive updated information about the impact of a federal program called risk adjustment. This document will be updated accordingly at that time.
