

If you were kept from enrolling in a plan, enrolling in the right plan or from getting the premium tax credit or cost-sharing reduction you were eligible for due to misinformation, misrepresentation, misconduct, or inaction of someone working in an official capacity to help you enroll (like an insurance company, navigator, certified application counselor, or agent or broker) you may qualify for a SEP. If you feel this has happened to you, contact the Pennsylvania Insurance Department at 1-877-881-6388

REMEMBER

You have a limited time to see if you are eligible for a SEP. It's important to know that you do not qualify for a SEP if you fail to pay your premium or if you choose to drop your insurance coverage.
