## Home Protection Checklist

---

**Stop newspaper delivery**

**Stop mail delivery or have a trusted neighbor pick it up daily**

**If packages will be delivered, have someone pick them up**

**Close and lock all windows and doors, including the one leading in from the garage**

**Have someone mow your lawn**

**Secure sliding glass doors**

**If possible, turn down the volume on your doorbell**

**Put your lights on a timer, or ask someone to turn on lights inside and outside your home**

**Don't leave valuable papers or items in plain sight or in an obvious location; store in a locked safe or a safety deposit box**

**Hide your computer to keep hackers from accessing personal information**

**Do not leave your spare key under a mat; give a friend or trusted neighbor a spare key**

**Resist the temptation to post pictures on social media from your vacation until you return home**
