The Pennsylvania Insurance Department is pleased to announce a new service called ProducerEDGE, powered by Sircon (a Vertafore business). We recommend ProducerEDGE to our insurance producers tasked with managing their own personal licensing compliance. Registration takes less than a minute. Please contact Sircon (a Vertafore business) directly at 877-876-4430 should you have any questions regarding ProducerEDGE services. They also offer a detailed user guide which can be obtained from the following web address:
