The special purpose statement of assets and liabilities of Reliance Insurance Company (in Liquidation) is prepared on a unique financial reporting basis, in that, the statement does not fully reflect the effect of the company's liquidation. The liquidation process will result in the realization of amounts on transfer or disposition of assets and in the satisfaction of liabilities at amounts substantially different than those reflected in the accompanying statement of assets and liabilities. The statement does not include any adjustment that might result from the outcome of the uncertainties related to the liquidation, future administration expenses, and various potential exposures, recoveries or benefits. The special purpose statement of assets and liabilities is not intended to be in conformity with, and will vary significantly from generally accepted accounting principles and statutory accounting practices for a property and casualty insurance company as prescribed by the NAIC.
