## MEMORANDUM AND ORDER

Presently before the Court for consideration is the Liquidator's Application for Approval of Final Accounting, Final Distribution, Final Claims Report and Recommendation for Disposition of Records Pursuant to 40 P.S. § 221.50 (Application).<sup>1</sup> In his Application, the Liquidator represents that: (1) he

Relating to the Final Claims Report, the Liquidator averred that he reviewed all documentation submitted in support of claims that were determined and finalized without objection during the report period of September 3, 2021, through January 31, 2023. There were four such undisputed claims with a total allowed amount of \$28,525,693.38. *Id.*, ¶12. These classifications and amounts are appropriate, fair, equitable and consistent with Article V of The Insurance Department Act of 1921 (Article V), Act of May 17, 1921, P.L. 789, *as amended*, added by the Act of December 14, 1977, P.L. 280, 40 P.S. §§ 221.1-221.63.

¹ On February 28, 2023, in connection with this final step in the liquidation process, the Liquidator filed his Application for Approval of Notice of Final Accounting, Proposal for Final Distribution and Final Claims Report (Application for Approval of Notice). Therein, the Liquidator attached Senior American Insurance Company's Statement of Net Assets Available for Distribution as of December 31, 2022, which reflects assets available for distribution in the amount of \$6,864,373.44 and, after withholding a reserve of \$21,000 for future administrative expenses, total net assets available for distribution in the amount of \$6,843,373.44. Application for Approval of Notice, ¶¶ 2-3; Exhibit (Ex.) A, at 3. According to the Liquidator, he "has collected all the assets deemed worthy of pursuit." Application for Approval of Notice, ¶ 7. In addition, the Liquidator averred that all claims have been evaluated and there are no unresolved objections. *Id.*, ¶ 4. The Liquidator further provided an exhibit, which identified all claimants with approved claims and the amount allowed for each claim. *Id.*, Ex. B. The Liquidator set forth his proposed distribution of assets by priority classification and amount. *Id.*, ¶ 6.

has provided notice (Notice) of his Application to all known claimants; (2) he has not received any objection to the Notice and more than 30 days have passed since he mailed the Notice on March 7, 2023; and (3) he has responded to all claimant inquiries regarding the Application and has made all address and information corrections required in order to make a proper payment of claims. The Liquidator seeks authorization to make a distribution of assets in accordance with the distribution set forth in paragraph six of his February 28, 2023 Application for Approval of Notice of Final Accounting, Proposal for Final Distribution and Final Claims Report (Application for Approval of Notice), which provides that priority class "a" claims² will be paid at 100%, that the Liquidator has already received \$429,947.82 in administrative expenses, that priority class "b" claims will be paid at least 19.07%, that there are no priority class "c" or "d" claims, that priority class "e" and "f" claims will not be paid, and that there are no priority class "g", "h" or "i" claims.

In addition, the Liquidator has submitted a recommendation regarding the retention and disposition of Senior American Insurance Company's records, pre- and post-liquidation, pursuant to Section 550 of Article V, 40 P.S. § 221.50. *See* Application, Ex. C. The Liquidator recommends that most pre-liquidation records be destroyed, as they no longer serve any purpose and will not be required in the future to respond to any post-discharge inquiries. The Liquidator proposes to retain all post-liquidation files until such time that he believes they are no longer

Finally, the Liquidator requested this Court's approval of a form Notice to be sent to all claimants regarding the Liquidator's final accounting, proposed final distribution and final claims report. Application for Approval of Notice, Ex. C. The Court approved the form Notice on March 3, 2023. There were no objections to the Application for Approval of Notice.

needed to respond to post-discharge inquiries. He requests that the Court grant him the discretion to determine the appropriate time to destroy the post-liquidation files.

The Liquidator states that following completion of the final distribution of assets, he will file an application seeking discharge of the Liquidator. *See* Section 548(a) of Article V, 40 P.S. § 221.48(a). At that time, the Liquidator will also seek approval of the final disposition of any assets remaining in the Liquidator's possession at the time of discharge, or that may be unexpectedly received by the Liquidator post-discharge.

In considering the Liquidator's request for approval of the final accounting and final distribution, the Court notes that Section 546 of Article V directs as follows:

Under the direction of the court, the liquidator shall pay distributions in a manner that will assure the proper recognition of priorities and a reasonable balance between the expeditious completion of the liquidation and the protection of unliquidated and undetermined claims, including third party claims. Distribution of assets in kind may be made at valuations set by agreement between the liquidator and the creditor and approved by the court.

40 P.S. § 221.46. Moreover, "[w]hen all assets justifying the expense of collection and distribution have been collected and distributed under this article, the liquidator shall apply to the court for discharge." Section 548(a) of Article V, 40 P.S. § 221.48(a).

After review of both the February 28, 2023 Application for Approval of Notice, the present Application, and the exhibits attached to each, the Court accepts the Liquidator's representations and recommendation that a final accounting

and distribution is now appropriate. Accordingly, the Court enters the following Order:
