**RE: Modification to Order No. ID-RC-13-06**

Dear Deputy Commissioner DiMemmo:

As elected officials who represent constituents in Allegheny County, we have witnessed firsthand the need to preserve competition in the healthcare marketplace, which is why we are writing in support of the proposed modification to Order No. ID-RC-13-06. The proposed modification would help to foster a more level playing field for real health care competition in western Pennsylvania.

In order for Highmark Health and AHN to effectively compete, they must have the flexibility to make timely, strategic investments as required to execute their strategy. We are confident that the company has a sound, comprehensive strategic plan for AHN through 2020 that will help Highmark Health to thrive as a market leading Integrated Delivery and Financing System after the Consent Decree with UPMC ends.

Also, we know that AHN's strategy is built around its transition to a value based care delivery model, and away from the traditional and more costly fee for service model. A financially stronger AHN will allow Highmark to further limit the growth of premium costs for Highmark members and reduce overall health care costs for all customers while maintaining convenient access to high quality providers and resources across western Pennsylvania, which will significantly benefit our constituents.

We urge you to favorably consider the requested modification.

Sincerely,
