

**Pennsylvania Insurance Department**  
**Property and Casualty**  
**Transition from Paper to SERFF Filings**  
**May 11, 2020**

Effective August 1, 2020, the Pennsylvania Insurance Department will no longer accept paper filings for Property and Casualty form, rate, rule, rate/rule, and statistical filings. Filings should be submitted via the National Association of Insurance Commissioners System for Electronic Rates & Forms Filings (SERFF).

After August 1, 2020, any insurer seeking to make paper filings should contact the Department explaining the exceptional circumstances which necessitate a paper filing. Any questions about this note or requests to submit paper filings should be addressed to Mark Lersch, Property & Casualty Bureau Director, at [mlersch@pa.gov](mailto:mlersch@pa.gov) or 717-783-2103
